

SEDA Research Committee South-west Regional Seminar:

Wednesday 9th July, University of Exeter

Seminar Aims

- To provide an opportunity for those who are interested in research on academic staff and educational development in HE and FE to share and discuss their research ideas, proposals, interim or final findings;
- To share ideas on the scholarship of educational development.

Who is it for?

Anyone within HE (or HE in FE) who is interested in / responsible for supporting changes / enhancements in learning and teaching. This includes those working in educational development units, LTSN, projects, information / library support, learning support, teaching staff interested in bringing about change and managers / PVCs with a specific learning and teaching role.
