

## Resource List for Work Placements

---

The following resources should be helpful when planning your work placements. However, each institution will have its own policy and paper work that needs to be adhered to and filled in.

Moreland, N. (2005) Work-related learning in higher education. Learning and Employability Series 2. The Higher Education Academy

Gomez, S., Lush, D. & Clements, M. (2004) Work placements enhance the academic performance of bioscience undergraduates. Journal of Vocational Education and Training, 56, 373-385.

[asetonline.org/PDFs/Placements%20and%20Final%20Year%20Performance.pdf](http://asetonline.org/PDFs/Placements%20and%20Final%20Year%20Performance.pdf)

Lush, D., Gomez, S. (2005) Science Learning and Teaching Conference 2005: (O22) Novel pedagogic and IT approaches to the academic assessment of workplace learning. Paper presented at the Science Learning and Teaching Conference 2005  
[www.bioscience.heacademy.ac.uk/resources/KB/biofullrec.aspx?ID=2036](http://www.bioscience.heacademy.ac.uk/resources/KB/biofullrec.aspx?ID=2036)

Murray, R. & Wallace, W. (2003) Good Practice in Industrial Work Placement. Subject Centre for Physical Sciences. ISBN 1-903815-02-9. [tinyurl.com/3595ap](http://tinyurl.com/3595ap)

The New Revised Section 9 of the QAA Code of Practice on Work-Based and Placement Learning was published in September 2007.

[www.qaa.ac.uk/academicinfrastructure/codeOfPractice/section9/default.asp](http://www.qaa.ac.uk/academicinfrastructure/codeOfPractice/section9/default.asp)

Profile "offers a web-based system to capture the learning experiences of students on work placement experience and forms the foundation for awarding academic credit for work-based learning" [www.profile.ac.uk](http://www.profile.ac.uk)

### Accessibility

Providing Work Placements for Disabled Students: A Good Practice Guide for Further and Higher Education Institutions. Department for Education and Skills.

[www.asetonline.org/PDFs/Disabilities.pdf](http://www.asetonline.org/PDFs/Disabilities.pdf)

Toolkits for success: managing off-campus learning for students with disabilities. The University of Manchester's Careers & Employability Division [www.disabilitytoolkits.ac.uk](http://www.disabilitytoolkits.ac.uk)

### Health and Safety

Doran, N., Evans, W., Harris, J., Smith, S., & Wagland, S. (2005) ARMED – Active Risk Management in Education - Student placements and overseas study

[www.asetonline.org/PDFs/Health%20and%20Safety.pdf](http://www.asetonline.org/PDFs/Health%20and%20Safety.pdf)

de Silva, C. (2006) Health and Safety Notes for Placement Managers. ASET Annual Conference September 2006

[www.asetonline.org/documents/HealthandSafetyNotesforPlacementManagers.pdf](http://www.asetonline.org/documents/HealthandSafetyNotesforPlacementManagers.pdf)

Eversheds LLP (2006) Answers to Health and Safety Questions. ASET Annual Conference September 2006

[www.asetonline.org/documents/EvershedsQuestionandAnswer.pdf](http://www.asetonline.org/documents/EvershedsQuestionandAnswer.pdf)
