## **Ancestral Village Pictures**

Can't go to the homeland and visit your village? Maybe you have been there or only heard about your family's village through tales told by the elders. Here is your opportunity to "experience the homeland". NOW exclusively through C-RS, you can have high quality photographs of your home village taken by an experienced photographer commissioned by us there. The best part is that you can specify exactly what pictures you want taken in the village. Maybe you would like a photograph of the inside or outside of the church where your grandparents or parents were baptized and married. You may want pictures of special interest such as of a house, street sign, cemetery, a village sign or of the beautiful local landscape of these Carpathian villages. A perfect gift for yourself or for someone who has not been able to return "HOME". Available as printed photos or on CD. Please allow at least 6 weeks for delivery, from the date we receive the order. Please indicate village and photo choices on the order form below.

If you need more details please call Sales at 412-462-2769

# **Rusyn Settlement Map**

This 30"X 40" map identifies the Rusyn Settlements in Europe, village by village. It shows current country location and all the names each village ever had. They are cross-referenced on the back of the map for easy location, no matter what "version" of the village name you have. Also shows Rusyn villages long gone, current village names and those which have been Slovakized over this century. A must-have for any genealogy study.
