

Hello-World Assignment

Due Date: Thursday

This assignment is not for credit; do not hand anything in.
Type the following program into a file called "Hello.java".
Compile it with the following command:

```
javac Hello.java
```

This should create a file called "Hello.class".

Execute the program with the following command:

```
java Hello
```

```
//  
// Hello -- Program to print a message  
//  
  
class Hello {  
    public static void main (String [] args) {  
        System.out.println ("Hello, world!");  
    }  
}
```
