Dear [Recipient Name]:

Please accept our thanks for your participation in Animal Rescue Foundation's most recent volunteer orientation. Without the support of Animal Angels like yourself, our mission to provide care and accommodation for animals would be severely compromised.

Feel free to review the Volunteer Orientation presentation - just double-click on the picture below and the presentation will start. It will advance automatically through each slide. Just press ESC when you want to end the show.

Thank you for giving your time. It will pay off in a big way.

Sincerely,

[Your Name]
