

Weekly Specials

Tired of brewing a whimpy cup of java that just doesn't have the punch you desire? Then point your Web browser to www.somecoffee.com for our giant sale, and have our high-powered java delivered right to your front door. You'll never buy bland supermarket java again.

Through January, take \$2 off the regular java prices shown below.

You can also order online at www.somecoffee.com today, and get coffee delivered right to your door! But hurry, our sale won't last forever.
