**6- What Linux related capabilities or solutions on IBM hardware, software or services does your company offer today?**

**By submitting this application your firm agrees:**

- 1- To work with IBM and the selected Telemarketing Firm (Next Level) to create a customized teaming profile. This information will only be used by IBM and Next Level to facilitate identification of potential complementary partnering candidates.
- 2- To respond to request to confirm or deny interest in teaming with identified candidates.
- 3- To participate in introductory calls with agreed to candidates to assess potential compatibility and mutual desire to proceed.
- 4- To participate in facilitated individual calls with mutually agreed candidates and Next Level to develop a simple Business Plan outlining areas of cooperation and go to market plans.
- 5- To respond to and update PartnerWorld Lead Management (PWLM) records every 30 days per the PWLM guidelines including reporting new opportunities and closed sales based on the teaming relationships that may be developed.
- 6- That IBM and Next Level make no commitments either expressed or implied that suitable partnering candidates will be identified and for those that may be, successful relationships and/or business results will be achieved. The success of any teaming relationship will be the sole responsibility of the individual IBM Business Partners involved. IBM and Next Level's role is only to identify potential suitable candidates and facilitate their mutually agreed to introduction and exploration of potential new business opportunities.

**Please e-mail completed form to Rick Cabaleiro at [RCabaleiro@nextlvl.com](mailto:RCabaleiro@nextlvl.com) to begin participation**
