

Fear of the Future, Fear of the Past, Fear of Present; Fear

By
Charles O. Lucas

Fear.

Fear what is it?

Fear is it the future?

Fear is it the Past?

Future is it the Present?

What is fear emotion, pain, success?

Can someone fear, fear?

Is it a passion?

Is it a love?

Can someone be in love with fear?

Fear.

I fear my future.

I fear my heart.

I fear my success.

I fear, fear.
