

I saw the tear down his cheek

Oh god I feel so bad,
Today for the the first time
I saw David cry!
It broke my heart Because.....
Bear had died. That dog
Was 15 years old Maybe it was his
Time...Maybe he was ready to die
But could david handle the loss?
He had been with that dog since he was 4.
Now that he is gone....He feels all alone.
Today I saw David Cry it broke my heart.
