

Love in a Friend

Nic Sallis

You have been a great one,
And always been there for me.
You helped me through the tough times;
Opened my eyes so I could see.
Now I'm seeing you different,
And I don't know what to do.
I no longer see you as a friend,
Now I've realized that I love you.
You've been a shoulder to cry on,
And been there through the nights.
You'd stay up late and talk to me,
And help me wipe my eyes.
So now the time has come,
To tell you how I care.
I hope you will love me,
And will continue to be there.
Your eyes are soft and caring,
Somewhere I would find refuge.
Whenever I would need help,
You never would refuse.
Your arms are always open,
To lift me when I'm down,
Your smile is the brightest,
I've never seen a frown.
You have swept away much pain in my life,
And helped me through and through.
So now I must come to ask you one more thing.
And hope you'll answer true.
Will you share your life with me,
And open up your heart.
I wish you would love me
And that we never fall apart.

To brittany, you've been a great friend, and i love you with all my heart.
