Thank you for trying our **QuarkXPress Form Templates**, We hope that these five templates come in handy for you. We are currently adding more templates everyday. If these five samples are a help to you, you might consider that for $10.00 you can have the first 27 different forms we have finished. We will send them to you on disk 3.5" or E-Mail them to you upon receipt of your registration slip along with your check or money order for $10.00. Note this is a site license, and you may use these 27 templates on any number of machines in your office (site).

We have spent many hours drawing these forms and hope that they are of some use to you in your line of work. The forms have space for your customer imprints.

NOTE: By registering your templates, not only do you receive all 27 of our current templates, but you will receive once a year for the next three years, updates and new templates as we create them. **FREE!!!!**
