

The following is a bibliography of articles that relate to women in science. Some discuss women in the history of science, while others discuss current trends in science for women. This bibliography was developed with the resources available at the University of Michigan libraries.

### **Women in Science**

1. TITLE: Marie Curie; half-life of a legend.  
JOURNAL TITLE: Analytical Chemistry 65:215A-219A Feb 15 '93
2. TITLE: Women in analytical chemistry--equality at last?  
JOURNAL TITLE: Analytical Chemistry 57:1358A-60A+ Nov '85
3. TITLE: 8 of 9.  
JOURNAL TITLE: Analytical Chemistry 62:525A May 1 '90
4. TITLE: British women of the nineteenth and early twentieth centuries who contributed to research in the...  
JOURNAL TITLE: The British Journal for the History of Science 24:275-305 Sep '91
5. TITLE: Women, minorities, and chemistry.  
JOURNAL TITLE: Chemical & Engineering News 65:3 Sep 14 '87
6. TITLE: Growing numbers of women drawn to chemistry careers, but few reach top ranks.  
JOURNAL TITLE: Chemical & Engineering News 69:31-4+ Oct 21 '91
7. TITLE: Women encouraged to pursue chemistry careers.  
JOURNAL TITLE: Chemical & Engineering News 63:48 Apr 29 '85
8. TITLE: Consortium to urge women to choose chemistry.  
JOURNAL TITLE: Chemical & Engineering News 62:6 Jul 2 '84
9. TITLE: Where are science's women?  
JOURNAL TITLE: Chemistry and Industry no22:878 Nov 16 '92
10. TITLE: Balancing the workforce.  
JOURNAL TITLE: Chemistry and Industry no18:705 Sep 21 '92
11. TITLE: No place for a woman?  
JOURNAL TITLE: Chemistry and Industry no12:464 Jun 15 '92
12. TITLE: The 'Opportunity 2000' mission.  
JOURNAL TITLE: Chemistry and Industry no21:806 Nov 4 '91
13. TITLE: WISE to study chemistry?  
JOURNAL TITLE: Chemistry and Industry no19:728 Oct 7 '91
14. TITLE: The female resource.  
JOURNAL TITLE: Chemistry and Industry no20:666 Oct 15 '90
15. TITLE: Women at work.  
JOURNAL TITLE: Chemistry and Industry no15:477 Aug 7 '89
16. TITLE: Women chemists speaks out.  
JOURNAL TITLE: Chemistry and Industry no8:238 Apr 17 '89
17. TITLE: Shocking' sex discrimination, GMB says.

JOURNAL TITLE: Chemistry and Industry no5:130 Mar 7 '88

18. TITLE: Chemists prone to suicide.  
JOURNAL TITLE: Chemistry and Industry no14:467 Jul 20 '87
19. TITLE: The American career of Jane Marcet's Conversations on chemistry, 1806-1853.  
JOURNAL TITLE: Isis 82:8-23 Mar '91
20. TITLE: Chemistry doctorates awarded to women in the United States.  
JOURNAL TITLE: Journal of Chemical Education 68:545-7 Jul '91
21. TITLE: Women and chemistry: shifting the equilibrium toward success  
JOURNAL TITLE: Journal of Chemical Education 67:116-18 Feb '90
22. TITLE: Academic women chemists in the 20th century: past, present, projections.  
JOURNAL TITLE: Journal of Chemical Education 64:823-7 Oct '87
23. TITLE: Encouraging young women to pursue science and engineering careers through chemistry.  
JOURNAL TITLE: Journal of Chemical Education 62:837-9 Oct '85
24. TITLE: Heterogeneous students in homogeneous classrooms.  
JOURNAL TITLE: Journal of Chemical Education 62:512-13 Jun '85
25. TITLE: How sexism still stalks the corridors of chemistry.  
JOURNAL TITLE: New Scientist 122:28 Apr 22 '89
26. TITLE: Behind every great scientist . . . Madame Lavoisier was not just the wife of the famous chemist.  
JOURNAL TITLE: New Scientist 116:19-21 Dec 24/31 '87
27. TITLE: Profile of a field: chemistry.  
JOURNAL TITLE: Science 255:1372-3 Mar 13 '92
28. TITLE: Are there innate cognitive gender differences?  
JOURNAL TITLE: American Journal of Physics 59:11-14 Jan '91
29. AUTHORS: Kidwell, Peggy Aldrich.  
TITLE: Three women of American astronomy.  
JOURNAL TITLE: American Scientist 78:244-51 May/Jun '90
30. TITLE: Was the first Mrs Einstein a genius, too?  
JOURNAL TITLE: New Scientist 125:25 Mar 3 '90
31. AUTHORS: Slavings, Rickey L. & Lankford, John.  
TITLE: Gender and science: women in American astronomy, 1859-1940.  
JOURNAL TITLE: Physics Today 43:58-65 Mar '90
32. AUTHORS: Rayner-Canham, G W. & Rayner-Canham, M F.  
TITLE: Harriet Brooks--pioneer nuclear scientist.  
JOURNAL TITLE: American Journal of Physics 57:899-902 Oct '89
33. AUTHORS: Sime, Ruth Lewin.  
TITLE: Lise Meitner and the discovery of fission.  
JOURNAL TITLE: Journal of Chemical Education 66:373-6 May '89
34. AUTHORS: Johnson, Karen E.

- TITLE: Maria Goeppert Mayer: atoms, molecules and nuclear shells.  
JOURNAL TITLE: Physics Today 39:44-9 Sep '86
35. AUTHORS: Sutton, Christine.  
TITLE: A role model for female physicists.  
JOURNAL TITLE: New Scientist 103:53 Sep 13 '84
36. AUTHORS: Muller, Gerhard.  
TITLE: Woman physicist executed.  
JOURNAL TITLE: Physics Today 36:11 Nov '83
37. AUTHORS: Blanton, Carlton. & Rhodes, Don.  
TITLE: Alice Hamilton: occupational safety and health legend.  
JOURNAL TITLE: Professional Safety 35:11-15 Aug '90
38. AUTHORS: Habashi, Fathi.  
TITLE: Fiftieth anniversary of uranium fission--contributions of two women scientists.  
JOURNAL TITLE: CIM Bulletin 82:80-4 Nov '89
39. AUTHORS: Spradley, Joseph L.  
TITLE: Women and the elements: the role of women in element and fission discoveries.  
JOURNAL TITLE: The Physics Teacher (Stony Brook, N.Y.) 27:656-62 Dec '89
40. TITLE: Reich exile emerges as heroine in denial to Nazis of atom's secret.  
JOURNAL TITLE: Chemtech 19:17 Jan '89
41. AUTHORS: Koblitz, Ann Hibner.  
TITLE: Science, women, and the Russian intelligentsia: the generation of the 1860s.  
JOURNAL TITLE: Isis 79:208-26 Jun '88
42. TITLE: The history and philosophy of women in science: a review essay.  
JOURNAL TITLE: Signs 12:305-32 Winter '87
43. AUTHORS: Moore, Glenis.  
TITLE: Caroline Herschel--seeker of comets.  
JOURNAL TITLE: Electronics and Power 33:176-9 Mar '87
44. TITLE: International conference on the role of women in the history of science, technology, and medicine in the 19th and...  
JOURNAL TITLE: Technology and Culture 26:262-7 Apr '85
45. AUTHORS: Pramer, Stacey.  
TITLE: Mary Fieser: a transitional figure in the history of women.  
JOURNAL TITLE: Journal of Chemical Education 62:186-91 Mar '85
46. TITLE: Science and gender.  
JOURNAL TITLE: Isis 75:189-203 Mar '84
47. AUTHORS: Craig, Peter.  
TITLE: The light and brilliancy of Marie Curie.  
JOURNAL TITLE: New Scientist 103:32-5 Jul 26 '84
