COMMENT1,C,60

He is the accountant who does some work for Lolir Lectronics  
They have the Marchant Retail System  
also, call 800-3-4-color, they produce FASTBASE III  
also, call 234-8056 ("Shari"), Jerry Prado works here  
is this the same as the Taiwanese Mfg (Larry at 644-9396)?  
He has an investor's BBS. Also, call (305)368-0111  
they currently have an 8bit system, written in compiled  
prints magazine listing of 4,500 motels  
He is owner (or co-owner with Twan), has some programming  
interested in an estimating program, handling material,labor
