| TEXT1,C,79  | TES |
| @2  | 2   |
| @6  | 6   |
| In chapter 5, we briefly examined the Billings summary            | 0   |
| that came with the Test Data. It showed 6 activities              | 0   |
| for 2 trucks had generated \$1,790 in billings. You               | 0   |
| then added 2 activities for a new truck, with an additional       | 0   |
| \$250 in billings.  | 0   |
| -   | 0   |
| In this chapter, we'll go back to the Billings Summary            | 0   |
| Menu and see, first of all, if the 2 new activities               | 0   |
| have been comprehended in the current summary. Then               | 0   |
| we'll look a little closer at your options in this menu.          | 0   |

 TOTAL BILLINGS= \$ 1350.00 0

Grand total = \$ 2040.00 0

@7 7

This summary shows the original 6 records from the Test Data, 0  
 plus the 2 new activities you created for NBF199. The Grand 0  
 total has increased from \$1,790 to \$2,040. 0

Let's go back to the last menu, and create a report from 0  
 this data. 0

@6 6

Before going back to the Billings Summary and printing out 0  
 the report, note that you have the option throughout the 0  
 program of sending your reports either to a printer or 0  
 to a text file named 'VIEW.TXT'. In this way, you can 0  
 always create and inspect your reports without having 0  
 to be dependent on your printer being on-line. 0

- 0

At the time you create a report, the program will prompt 0  
 you for your choice: to either print it out now or to 0  
 sent the report to the text file. 0

- 0

As you create the text file from a report, you can view it 0  
 then or come back later and view it again from the Other 0  
 Options Menu, 1) View or Print Most Recent Report. 0

@7 7

This is the Billings Report for 3 trucks. 0  
 The billings for 'NBF199' of \$250 now appear with the comment from the 0  
 Master File, and second and third ID. 0  
 Observe the third line of this report. It shows 'START/END DATE' 0  
 of 1901 to 2999. This means all records in the activity file 0  
 were selected for this analysis. 0

You can select the Start/Stop dates for your report at option 1.  
 Using this option, you can select billings for a 10 year, 2 month,  
 or 1 day period! You can experiment with this feature later.  
 For now, we want to select one truck to summarize.  
 As you observe the bottom of the menu, you see:  
 "Service Call to be summarized: ALL"  
 This means ALL trucks were summarized.  
 To summarize one truck, select option '2'.

————— Dallas Truck Maintenance Tracking System —————

IDENTIFICATION OF SERVICE CALL NAME FOR SUMMARIZING BILLINGS DATA:

License Number for Service Call:  
ALL

Enter the ID of the Service Call that you wish to summarize your Billings.

(Enter [Return] by itself if you are finished.)

[The program cannot make a partial match here. You must enter a complete name]

@11

11

This screen defaults to 'ALL', meaning all trucks are summarized.  
 Since you want to select data for 1 truck, enter 'NBF199'.
