All Rights Reserved.

This is a demonstration version of SALES ACTIVITY™ v2.0 for DOS. DOS multi-user,  
Windows™ single-user, and Windows™ multi-user versions also available.

---

NOTES - Single-user DOS Version: Demonstration version

SALES ACTIVITY™ Demo will NOT function properly without a hard drive.  
SALES ACTIVITY™ Demo will NOT function properly without first using  
the installation procedure.

---

#### INSTALLATION PROCEDURE

To install SALES ACTIVITY™ Demo, switch to the directory where the  
SALES ACTIVITY™ Demo program files are located, and type:

INSTALL

A directory named C:\SA-DEMO will be created on your hard drive.  
All program files will be copied to that directory, and the file CALEN.DAR  
will be exploded. Upon completion of the installation process, SALES  
ACTIVITY™ Demo can be started by typing

SA

at the C:\ prompt.

---

#### USER ID

SALES ACTIVITY™ Demo's default User ID is: \$\$\$\$ . There is no password unless you  
enter one when prompted during installation.

---
