

## DREAM ON

The Emmy Award<sup>®</sup>-winning comedy DREAM ON will become HBO's first original series to reach the hundred-episode mark this summer when it returns with a sixth season of 17 new episodes. Starring Brian Benben as book editor Martin Tupper -- TV child of the '50s, parent of the '80s, and single man of the '90s -- DREAM ON uses clips from long-lost TV shows and vintage movies to reveal Tupper's thoughts. Feature-film director John Landis is an executive producer and directs episodes of the adult comedy series.

Along with Benben, cast regulars include Chris Demetral as Tupper's son Jeremy, Denny Dillon as his acid-tongued secretary Toby, Wendie Malick as his ex-wife Judy, Michael McKean as his boss Gibby, and Dorien Wilson as his best friend Eddie.

Winner of 13 CableACE Awards, DREAM ON has featured such guest stars as Jason Alexander, Scott Bakula, Tom Berenger, David Bowie, David Clennon (who received an Emmy<sup>®</sup> for his appearance), Paul Dooley, Eva Gabor, Teri Garr, George Hamilton, Kathryn Harrold, Larry Miller, Martin Mull, Ron Reagan, Jr., Mimi Rogers, Helen Slater, Renee Taylor and James Woods.
