Disclaimer

We have used our best efforts in preparing this CD-ROM Disc and the programs contained on it. However, we make no warranty of any kind, expressed or implied, with regard to these programs, documentation, the usefulness or value to you and/or the end-user.

VIRUSES

All files and programs contained on this CD Rom disc have been scanned for virus's and were found virus free. As far as we know there are NO VIRUS'S of any kind on this CD ROM disc. We attempt to check our CD's with various programs on the market, and have found McAfee's Virus Scan to be one of the best.

Copyrights, Logos and Trademarks

All Copyrights are the property of the respective holder and are subject to the terms and conditions they have set forth in the individual programs and/or files. Microsoft DOS, Microsoft Windows, Microsoft Visual Basic, as well as the DOS LOGO, Windows LOGO, and Windows 95 LOGO are registered trademarks of Microsoft Corporation. The Menu program (i.e., DOS Launcher, Windows Launcher, all batch files and information files associated with either Launcher) are NOT Shareware, and are copyright and intellectual properties of Terry E. Mercer and MicroMedia Publishers, Inc..

Some of the programs, files, pictures, and sounds found on these CD ROM disc's may be "Shareware" or "Public Domain" while others are "Registered" and/or "Commercial" copyrighted products which can NOT be freely (legally) copied and given to others. Most all of the programs are clearly marked in their manuals, instructions, information files, opening screen, main menu, or other common places. **If there is no information to the contrary on a specific program or file you must assume it is a violation of the law to distribute it in any fashion without prior written approval from the Publisher of the CD ROM**. Any such violation will be punishable to the fullest extent of the law. All programs and files on this CD are used and published under license by MicroMedia Publishers, Inc..
