

Welcome to Madden NFL™ 2000 Demo.

This README.txt file contains instructions on how to install and play the Madden NFL 2000 Demo.

08-23-99

After downloading the Madden Demo file, unzip into a folder and double-click Setup.exe. Follow the on-screen instructions to begin the installation.

After installation is complete, the autolaunch window will appear, from here you can set up your video mode of play (Glide/Direct 3D). After this is done, you can start Madden NFL 2000 by clicking Play. Note: Many other options are listed on the autolaunch window, but are not accessible in the Demo version.

Only Exhibition Mode will be available in this Demo version. You can choose to play as either the Atlanta Falcons or the Denver Broncos. The game will begin in the second half, with Denver leading Atlanta 17-6 and receiving the ball.
