

Internet Society

Choose a Membership That's Right for Your Organization

The Internet Society invites corporations, nonprofit organizations, foundations, educational institutions, trade and professional organizations, government agencies, and other international organizations to support our effort to advance the Internet and its related technologies through one of the following four levels of organizational membership.

Executive Membership

Executive Members enjoy the highest level of organizational membership and are recognized worldwide as leaders in industry, education, research, foundations, and government.

As an Executive Member, your organization benefits from . .

- . . .
- * Special recognition on the Internet Society's Web server.
- * Representation on the Internet Society's Advisory Council.
- * Free listing per calendar year in the Internet Society's widely distributed directory of online services (if applicable).
- * Free listing in the Internet Society's online directory of organizational members.
- * One free one-page, black-and-white advertisement in OnTheInternet magazine per calendar year (color at cost). Discounts on all other insertions.
- * 15 free subscriptions to OnTheInternet magazine.
- * Reduced fees for attendance at Internet Society conferences and events, including the annual INET conference on international networking.
- * Access to Internet-related data, statistics, research, and reports generated by the Internet Society.
- * One free copy of every Internet Society publication, plus deep discounts on additional copies.

Principal Membership

Principal Members benefit from full participation in Internet Society activities, discounts on publications and events, worldwide visibility, and valuable networking opportunities.

Principal Members benefit from . . .

- * Representation on the Internet Society's Advisory Council.
- * Reduced rate per calendar year for a listing in the Internet Society's widely distributed directory of online services (if applicable).
- * Free listing in the Internet Society's online directory of organizational members.
- * One free half-page, black-and-white advertisement in OnTheInternet magazine per calendar year (color at cost). Discounts on all other insertions.
- * 10 free subscriptions to OnTheInternet magazine.
- * Reduced fees for attendance at Internet Society conferences and events, including the annual INET

conference on international networking.

- * Access to Internet-related data, statistics, research, and reports generated by the Internet Society.
- * One free copy of every Internet Society publication, plus deep discounts on additional copies.

Professional Membership

Professional Members enjoy all of the basic membership benefits as well as enhanced visibility and the opportunity to support the Internet Society's efforts to advance the global Internet and its related technologies.

Professional Members benefit from . . .

- * Representation on the Internet Society's Advisory Council.
- * Reduced rate per calendar year for a listing in the Internet Society's widely distributed directory of online services (if applicable).
- * Free listing in the Internet Society's online directory of organizational members.
- * Discounts on advertising in OnTheInternet magazine.
- * 5 free subscriptions to OnTheInternet magazine.
- * Reduced fees for attendance at Internet Society conferences and events, including the annual INET conference on international networking.
- * Access to Internet-related data, statistics, research, and reports generated by the Internet Society.
- * Discounts on Internet Society publications.

Start-Up Membership

Start-Up Membership is a special category for new companies, organizations, and institutions that have been in business three years or less. It enables your organization to participate in Internet Society activities and to demonstrate support for Internet Society goals at a low membership rate.

Start-Up Members benefit from . . .

- * Reduced membership fees during the organization's first three years of operation.
- * Representation on the Internet Society's Advisory Council.
- * Reduced rate per calendar year for a listing in the Internet Society's widely distributed directory of online services (if applicable).
- * One free listing in the Internet Society's online directory of organizational members.
- * Discounts on advertising in OnTheInternet magazine.
- * One free subscription to OnTheInternet magazine.
- * Reduced fees for attendance at Internet Society conferences and events, including the annual INET conference on international networking.
- * Access to Internet-related data, statistics, research, and reports generated by the Internet Society.
- * Discounts on Internet Society publications.

In addition, all new organizational members will enjoy announcement of their membership in the new Internet Society

electronic newsletter, ISOC Forum. All existing members will be given the opportunity for limited promotion of their products and services in the newsletter.
