

## Version 1.0

# Changes Since the Last Release

There have been several bug fixes and a couple of API changes since the JDK 1.0 Beta 2 release -- the major changes are listed below. For information on the changes between JDK 1.0 Alpha 3 and JDK 1.0 Beta, look at the [Alpha 3 to Pre-Beta 1 changes document](#), the [Pre-Beta 1 to Beta changes document](#), and the [Beta to Beta 2 changes document](#).

## API Changes

These API changes (new in the JDK 1.0 release) are compatible with Netscape's 2.0 Beta 4 (and later) version of Navigator.

- Class changes:
  - Changed `java.lang.StringBuffer()` to final
