FRONT_PANE,C,254

To My [1]
You are my partner, my sweetheart,
my confidante and advisor,
my comforter and friend...

Dear [R],
Love is not as simple
as candlelight and roses...

For [R]
on Our [1] Annivesary
I love you for
so many reasons...
I love you because [2]
and I love the way you [3].

If, in our [1] years together, there have been days without sunshine, I never missed the warmth on my face.
If there have been nights without star-filled skies, I saw not the void.

Bright fragrant blooms of spring do fail.
The fiery summer sun goes pale.
Autumn's grandeur can't compare.
And, winter's spectacle is meager fare.

To the One I Love
ON OUR ANNIVERSARY

Always and Forever...

For [R]
on Our [1] Anniversary

Our love has shone
throughout the years,
as a lighthouse beams
away night's fears.

To my sweetheart [R]
on our
[1] anniversary.

Another's heart
is a rare and fragile gift
hold it gently,
and with both hands.
Nigerian Proverb

To Our Special Friends,
[1] and [2]
For [1] and [2]
May you always
be warmed
by each other's smile,
Always take time
to walk and talk a while,
Always know deep down
you're each other's
best friend,
And enjoy the kind of love
that grows
and knows no end.

"Marriage resembles a pair of shears, so joined that they cannot be separated; often moving in opposite directions, yet always

To [1] and [2],
When they passed out
babies, you really cleaned up...

Attention: [1] and [2],
Important information

as new parents, you are
expected to know all the
postnatal developmental and
systemic psychological changes
your child is going through...

Adam and Eve had many advantages, but the principal one was that they escaped teething.

-- Mark Twain

What greater gift could there be
than having a child to love.

and having your body distorted
and stretched beyond belief.

Congratulations
to [1]

[1] and [2],
heard you have a new
baby in the house!

Dear [1] and [2],
You know what they
say about babies!

Dear [1] and [2],
Welcome to the night shift!

Congratulations [1]
on your expanded family.

Every baby born into the world
is a finer one than the last.

[R]
There is something I've wanted to tell you about your birthday...

[R]
I ran into [1] the other day
and they told me
how wonderful you look...

[R]
You really keep yourself
in great shape these days...
[R],
for your birthday,
I wanted to get you
the thing you need most...

[R], it's your birthday,
and anything you want to do
is OK by me...

[R],
it's your birthday!
Take it easy! Relax!

Happy birthday to [R],
one of my dearest friends...

Happy [1]
birthday, [R].
This has got to be
your best birthday ever!

Dear [R],
At birthday time,
it's good to remember
our friends.

[R],
we heard you were celebrating
another birthday...

[R],
Donny the Dinosaur thinks
you're looking younger
every year!
Hey, [R],
You're having a birthday!
Well, I think I speak
for everyone in the office
when I say...

[R], you must have been
a beautiful baby. . .

Happy birthday to you,
Happy birthday to you . . .

Birthdays come and birthdays go . . .

On your [1] birthday,
I'm reminded of that great old song,
"In the Still of the Night."

[R],
[2] hope your birthday
is as happy as a bunch of flying pigs.
"Whenever a man's friends
begin to compliment him
about looking young,
he may be sure
that they think he is growing old."

-- Washington Irving

"Few people know how to be old."

-- La Rochefoucauld, 1665
"I love everything that's old:
old friends,
old times,
old manners,
old books,
old wines."
-- Oliver Goldsmith, 1773

"Don't you just hate it
when young kids say
they don't remember the Beatles?"

Do you realize that if a train left Chicago at the same time as a train left New York, and they were both traveling at the same speed, they would never meet?
Apples have cores
and a peach has a pit.
Shells are found at the shore . . .

[R],
you've done such a great job raising me I wanted to spend a moment on this special day to say something to you...

[R],
I can't believe
you keep getting older every year...

[R],
No matter how old you get

[R]
I've always looked up to you.
You are so wise...

[R]
It's time to stop the sibling rivalry,
so I'll be the one to start.
The most wonderful thing
about you is...

[R]
There is something I've wanted to tell you for a long, long time...

[R]
As you grow older
and enter adulthood

[R]
I have watched you grow
into such a wonderful person.
A day like today brings back
so many memories...

[R],
baby, baby, baby

[R]
You're getting cuter and cuter...
I could just grab ya
and squeeze ya to pieces...

[R]
Birthday's can really bite...

[R]
Just the other day [1] told me how "wise" you are???
It's funny, isn't it, [R],
how we can get on the phone
and talk for hours,
right where we left off,
even though it's been
ages since we got together.

May all your birthday dreams
come true,
[R]!

29 AGAIN?!?!?

[R],
if I won the lottery
on your birthday,
I'd share the winnings
with you.

Happy birthday
from one hot chick to another.

For a Special Friend
On Her Birthday

[R],
I treasure
every thought
of you.

Especially for
[R]
I count myself
in nothing else
so happy
As in a soul
remembering
my good friends.
Shakespeare

Happy Birthday

[R],
it's so nice...

Heart to Heart

Happy Birthday, Friend!

Just for You,
[1]!

Happy Birthday,
[1]

For You,

For You,

Happy Birthday,
[1]
[1],
can you guess
what I want to be
when I grow up?

For A Wonderful
[1]

[1],
although my calendar says
that today's the day
to tell you how much
you are loved...

To My [1]
For all the times
you gently picked me up
when I fell down,
For all the times
you traded me
a warm smile for a frown,
For all the times
you tied my shoe
and tucked me into bed,
Or needed something
for yourself
but put me first instead...

[1],
because you're you...

Remembering your
special day,
[1]

A Special Wish for
My [1]

HAPPY BIRTHDAY

You have been
the light of my life

and I spent one thousand years searching the world
for the perfect child for me

[R],
I send you all my love
on this special birthday...

[R]
Your birthday
is something really special

[R]
Don't you just love
getting all those presents,
and being the center of attention?

LOVE

Love is patient, love is kind. It does not envy,
it does not boast, it is not proud. It is not rude,
it is not self-seeking, it is not easily angered,
it keeps no record of wrongs. Love does not delight
in evil but rejoices with the truth.

With every gift
that you receive
take a moment to recall
a shining star...
a manger...
and the greatest
Gift of all.

Although I'm still a little kid,
I'm an expert on lots of things...
like how to wish upon a star
and climb a tree in spring.
And when it comes to
mommies,
we experts all agree...

It's Mother's Day!

Wishing you the cheeriest,
the merriest, and funniest,
the brightest, best
and sunniest
of all days ever made!

Mom,
You have shaped my life
in so very many ways...
You have shared
the joys of my achievements,
and endured the trials
I have gone through.

Mom,
I love you so much,
I am so lucky
to have you be the one
that has been there
to love me throughout my life.

My earliest memories
of you, Mother,
are the soft music
of your voice
as you comforted
me to sleep,
your tender touch
on baby hands
as you began
a lifetime of
gentle guidance.

Mom, over the years,
I've watched
the wonderful ways
you've made life special
for our family...
the moments of love
and laughter,
the traditions
and memories
we'll carry with us
throughout our lives.

[R],
your love has helped
make [1] world...

To My [1]
With Love
on Mother's Day

A Warm Wish for
[R]
on Mother's Day

Happy Mother's Day
to [R]
From Both of Us

For a Wonderful [1]
on Mother's Day

I Love You,
[1]!

[R],
You lead the way.
You gently move our children into healthy decisions of their own.
Happy Mother's Day,
[R]

As the years go by,
I realize that it's not just
the children who are
growing up.
Our relationship
is ever growing, too.

For My Wife
on Mother's Day

Only a mother
can communicate love
without saying a word.

For [R]
It takes someone special
to be a wonderful wife,
a magnificent mom,
a fantastic friend,
an incomparable
companion,
the perfect partner...

For [R],
My Darling Wife

Love is not just
candlelight dinners,
sentimental poems,
and bouquets of flowers.
It's also
bandaging scraped knees,
reading favorite stories
over and over,
and always being there
to listen and encourage...

[R],
I learn from your kindness
and nurturing each day
we are together

[R],
As a wife
and a mother
For [R],
A Wonderful Wife
and Mom

With all the special ways
you show us
that you care...

[R],
it's no wonder that someone
who's such a wonderful wife...

For My Wonderful Wife
on Mother's Day

[R],
I like the way
you do
what you do

Having a friend like you,
[R]...

It's been a rough week, [R]
and what I really need
is someone to go to the mall with me,
shop for hours, and force me to eat
at least one whole hot fudge sundae
all by myself...

[R], it amazes me
how cheerful, how
optimistic you can be
in this crazy world of ours.

[R], you're so thoughtful,
talented, generous, witty,
and downright fun
to be around...

[R], I hope you're not embarrassed
by this.
It's just that you're special to me and,
to show you how special,
I'm going to say something to you
that I've never said to anyone else
in the entire world - ever!

[R],
You have touched my heart,

[R],
Your friendship is like a gold mine...

[R],
You have a way
of making me feel so special
[R],
even when I can't find
the right words...

[R],
when I'm with you...

[R],
just knowing you care makes
life a little easier.

Thinking of you, [R]...

Even though our lives
have changed a lot
since we first became friends,
[R]...

Sending a warm hello,
[R]...

Thinking of You,
[R]

To [R]

A true friendship...

[R],
moments with you
are all too few.

A Wish for You,
[R]

I love having a special person
in my life like you, [R].

I dreamt that half
the world's population
gathered to select a special friend
from the other half.

Praying for friends to comfort you,
[R]...

The Lord Be With You
[R]
Oh, Lord, my friend is hurting.
How much I want to push away
the clouds of pain and make
sunshine of the memories.
How desperately I need to give
assurance of life everlasting.
Only you can do that, Lord!
Please take away the hurt.
Amen

Thinking of you,
[R]

In this time of sorrow...

All I have seen
teaches me to trust the Creator
for all I have not seen.
Emerson

To [R],
with Deep Sympathy

[R],
There were so many lives
touched by [1].
Over and over
our lives were brightened
by their very existence...

To [R]
With Sympathy

Is it so small a thing
to have enjoyed the sun,
lived light in the spring,
to have loved,
to have thought,
to have done?
Matthew Arnold

[R],
It will be the little things
that you will remember,
the quiet moments,
the smiles, the laughter.
And although it may seem
hard right now,
it will be the memories
of these small things
that help to push
away the pain
and bring the smiles
back again
There is comfort, [R],
in the strength of love:
'twill make a thing endurable,
which else would
overset the brain
or break the heart.
William Wordsworth

[R],
I still miss those I loved
who are no longer with me
but I find I am grateful
for having loved them.

[R],
I heard about your loss and I want to let you know that you are on my mind...
[R],
There isn't much I can do
except offer my arms
filled with hugs for you right now...

[R],
remembering with you...

With Heartfelt Sympathy

In Sympathy

Please accept [1] deepest sympathy.

How often have you trimmed the tree
till it was bright and gleaming?
How many times played Santa Claus
while little ones were dreaming?

How many presents have you wrapped?
How many carols sung?
How many cookies have you baked?
How many stockings hung?

you are the branches."

I always thank God for you

without your gentle touch...
Without your warm

Without your love

I want to say "thank you"

to whisper,
"This is the one...
my life,
my love."

... well, maybe I wouldn't bring up the dirt under your refrigerator.

Thinking of you...

[S]

... why can't I find that in a man???

Thinking of you...

[S]

... I mean whine...

We really need to talk!

Thinking of you...

[S]

I had one a while ago,
but I gave it up
for a good night's sleep.

Thinking of you...

[S]

We can go on - can't we!

Thinking of you...

[S]

I think we exploded last night...
...at least my head is this morning.

I had a great time!

[S]

And all it takes
is a short phone call to you
to make my life seem
so much more tolerable.

You're a great friend.

[S]

I'd like to take you to the bank
and make a deposit

You're a great friend.

[S]

...I'm so glad

[S]

...and the friendship we share.

[M]

[S]

Your friendship
makes my heart happy!

[M]

[S]

... every time I do that
I imagine you
in your hospital gown...
from behind!

Thinking of you...

[S]

... and then they told me you were already back at work...

Now, that's really sick!

Thinking of you...

[S]

and have a great time...

Thinking of you...

[S]

...that illness
is bad for your health!

[M]

Get Well Soon

[S]

Now you finally have a real reason
to whine and complain!

[M]

Get Well Soon

[S]

...so go out in the hallway
and walk behind other people
in hospital gowns!

Get Well Soon

[S]

I hope you feel better very soon.

[S]

... it would have been something else!

Get better soon.

[S]

... but I thought that was
your normal state!

Get better soon.

[S]

... I kind of liked you
when you were a little bad...

Thinking of you...

[S]

...whatever that is.

[M]

Best Wishes

[S]

I like that
in a person...

[S]

Your world has changed,

you're welcomed!

[S]

But I didn't expect
you to deliver so quickly!

Thanks a bunch...

[S]

We're moving in with you.

[M]

[S]

Well, maybe not for EVERYTHING!
After all, you didn't give birth to me or
anything like that, and you've never
paid my car payment, or put me in your
will, but what you did was really pretty nice,
considering we're not related and I'm not
even your boss

A first!

[M]

[S]

But, thanks anyway!

[M]

[S]

Eeny meeny many thanks!

[M]

[S]

Which, I think,
is exactly what
you had in mind!

[M]

[S]

...since Mom said I didn't have
to eat my [1] after all!

[M]

[S]

But, live with it, [R],
because this is all there is.

(No, don't unfold it looking for money - there isn't any.)

[S]

I think that quote means
that you should be thanking me
for allowing you to [1].

Never mind, I'll bow to tradition and thank you.

So, thank you, [R].

[S]

[R], thank you for [2].

Your generosity brightened [3]!
