

DRAGON'S LAIR!!!!

This game is a lot of fun. I don't suggest you read this text file straight through because you would lose most of the fun of this game. Although you do get to watch the great graphics. So this text file explains how to get by each of the individual scenes. Read each section only if you can't figure out how to get by.

UNDER THE DRAWBRIDGE:

When you fall through the hole in the draw bridge, hit ENTER once and then Up. That'll get you into the next board.

FALLING STONE BRIDGE:

To get by here just jump in the approximate direction you are moving (Left or Right)

ROOM WITH VINES:

Hit Enter to slash first vine.

Hit Up
