

SPACE QUEST !!!!!

- In Arcada search men
- Bay doors must be open to leave Arcada
- Go in the room with the computer and the cartridges at least twice
- When in pod close door
- Buckle seatbelt, push power, push autonav, pull throttle
- There are 2 kits in pod
- Leave pod, get glass
- Go right
- Don't kill spider with rock
- Put rock on geyser
- Don't let the drippings hit you and don't touch the pool
- Orat is in a cave (use spider to kill Orat)
- Before taking off in the skimmer put the cartridge in the console
- Get the cartridge back
- When in Uleunce flats type in no to the man who wants to buy your skimmer and he comes back after awhile and offers you more
- There are 5 bucks behind droids 'r' us
- Keep on buying beer
- Use slot machine until you get 250 bucks
- Buy at droids 'r' us the droid upstairs on the right
- Don't buy the 2 small ships
- When at the deltaur and in the airlock wait until a robot comes out and get in the ship
- Get in the chest and get in the laundry unit
- After you got in the laundry unit look your new suit
- Get the grenade when the droid is getting your gun throw the grenade down the railing
- Don't trip and fall on your face or you will lose your helmet (but you can't do anything about it)
- Search the man who was guarding the star generator
- When you set the star generator to explode you could go in any elevator you couldn't go before!
