

Support for File Buddy

The best way to obtain support for File Buddy is via e-mail to my CompuServe address: 76150,1027 for CompuServe members, and 76150.1027@compuserve.com for those accessing through the Internet.

If you can't send me e-mail, you may write to me at:

Laurence Harris
17 Old University Station Rd
Chapel Hill, NC 27514-1572

For really urgent questions, you can try calling me at (919)933-9595, but be warned:

1) I'm hard to get.

2) I am reluctant to make long-distance calls in response to messages from people I don't know and haven't explain why they want me to call.

3) I don't make long-distance calls to verify my address or the current fee for File Buddy.

Please understand that I have adopted these policies as a matter of necessity. I simply don't have the time and money to play phone tag all over the world. If the version of File Buddy you wish to register is less than a year old, the address above will work.
