TO ORDER:

This version of SpiralGraphics is a demo. It lets you use some of the features but not all. To use all features of SpiralGraphics you need to register.

You can register your copy of SpiralGraphics by phone, mail, email or through CompuServe's Software Registration. You will receive a registration number that lets you access all options of SpiralGraphics. At this time we are able to offer the game to you for a new, lower price of \$8.00 for just a registration number or \$13.00 if you also want a disk sent to you.

We have spent a lot of time making SpiralGraphics a high quality product and feel the registration fee is quite reasonable. Please support our shareware efforts by registering you software.

The first thing to do is click on the Order Form button on the main information screen that comes up when you start the game. Fill out the appropriate information and either print it out or create a new file by clicking

on the correct button.
