## 1.5 history

29th of June 1997

~Initial release ... still hopefully 'First And Last And Always'.

~This transfer animation was assembled some time ago, short time after releasing AmiTransWorld(1) on 22nd of April 1997 ... but was never released .. until now!

## 1.6 bugs

No known bugs. ;-)

## 1.7 distribution

~The 'AmiTransWorld2' transfer animation is Copyright © 1997 by Georg Rottlaender.

~'AmiTransWorld2' may be freely distributed as long as the following conditions are fulfilled:

~- all files have to be kept together and

~- no file may be modified (especially the transfer animation itself).

~Including this transfer animation in a commercial or shareware distribution (of a WWW browser for example), is prohibited without my written ~permission.

## 1.8 credits

---

~This transfer animation was assembled using ArtEffect v1.5 by Haage & Partner.

...

~The 4/5/6/8Bit versions were~created using PPaint by Cloanto.

...

~And finally to all Amigans out there in the world still keeping faith and my beloved A4000 (it keeps on running and running and running ...)

## 1.9 disclaimer

~The author neither assumes nor accepts any responsibility for the use or misuse of this transfer animation.

~The author will not be liable for any damage arising from the failure of ~programs that try to interpret this transfer animation in any way (especially ~datatypes and ~WWW browsers) or any destruction of other programs or data ~residing on a system attempting to use this transfer animation.

The user of this transfer animation uses it at his or her own risk.
