

Welcome to Liquid CD: Screen Backgrounds for IBM PC compatibles and the Macintosh.

These images are for use in your existing DTP (desktop publishing) applications.

If you have windows, then you may be able to view the "slide" show previews of the images.

To install ---

WINDOWS Only

1. Start Windows.
2. In the Program Manager or File Manager, click on the "FILE" menu option.
3. Click on the "RUN" menu option.
4. In the "Command Line Box" type the following:

"The CD-ROM Drive Letter":\INSTALL.EXE

This will create a program group icons in the Program Manager to launch the preview movies. To preview the images in a category: double click on the icon for that category, once the movie is open click on the play button (it looks like a triangle pointing to the right) to start the movie

The images on this CD-ROM are for use in your desktop publishing applications. They are provided TIFF format for easy importation to your desktop publishing program.

The images are organized by format in the "PC" and folder, and each image is available in both formats. The 500+ images on this disc are sorted into 11 different categories. To preview the images in a category, double click on the icon for that movie, then click the play button (it looks like a triangle pointing to the right).

See the file "FILELIST.TXT" in the "PC" and "Windows" directory for a complete list of the topics available, the image descriptive names and their DOS file names.
