MINI - DB ver 1.0
GIZMO Software

Unzip the file **"MINIDB.ZIP"** to the directory of your choice on any fixed drive. After the files are unzipped, you should have the following files on your hard drive.

> **DEFAULT.CF_**
> **MUSICCD.CF_**
> **PHONE.CF_**
> **MUSICCD.DA_**
> **PHONE.DA_**
> **COMMDLG.DL_**
> **SETUPKIT.DL_**
> **VBRUN300.DL_**
> **VER.DL_**
> **MINIDB.EX_**
> **SETUP1.EX_**
> **SETUP.EXE**
> **SETUP.LST**
> **CMDIALOG.VB_**
> **INSTALL.WR_**
> **MINIDOCS.WR_**
> **REGISTER.WR_**

All these files must be in the same directory as **MINIDB.EXE.**
From **File Manager**, run **SETUP.EXE** to install **Mini-DB.** After the installation is complete, **SETUP** will install an icon into **Program Manager**.
