

We hope you enjoy the items we've included. There are pictures created using Bryce in the 'Graphics' folder, Bryce related tutorials in the 'Tutorials' folder and models in the 'Models' folder.

Please read the use-agreement in the models folder before using.

Enjoy the models and for tons more visit our downloads page at www.stewstras.net/baument/downloads.htm
We update the downloads page every few days with new and exciting free models for use in Bryce and Poser.

Thanks and Enjoy!
