

LISE'S SKY COLLECTION SAMPLER

"Lise's Sky Collection" Sampler is offered graciously to the Bryce users by Lise LeBel Communications.

We hope that these sky presets will stimulate your creativity and enhance your Bryce images.
We encourage you to play with the different sky settings to give them your very own special flavour.

They are for your personal use and any commercial usage is strictly forbidden unless written permission is given by Lise LeBel.

The individual sky presets files or the single 50 sky presets file and the "Lise's Sky Collection Preview" Folder including it's content of 50 preview image files, on this Bryce CD cannot be redistributed in any way, shape of form. You are not permitted to sell, resell, give away, license, reproduce, or distribute these sky presets, either the 50 individual files or the single 50 sky presets file and the "Lise's Sky Collection Preview" Folder including it's content of 50 preview image files, or part of them without written permission from Lise LeBel.
