The Trainer   (screen dump)

When the Breadboard window is the active (front) window,

choosing 'Print' from the 'File' menu will print a screen dump

of the Breadboard window.

Timing Diagrams

When the Timing Diagram window is the active window, a

single page timing diagram will be printed, starting with the

first clock pulse shown in the Timing Diagram window.

(Later clock pulses (or another page) can be printed by sliding

the scroll bar to the right.)

Printing in Color

An option to allow printing in color is available from the

options window.
