

SHAREWARE notes

Media Player 2.0 is [ShareWare](#).

If you pay the full amount of ten dollars, you get:

- 1) unlimited help via e-mail for all Imperial Software stuff.
- 2) unlimited upgrades for Media Player through e-mail.
- 3) notices for other ShareWare products through e-mail.
- 4) new programs and demos through e-mail

NOTE:

I will not clutter your electronic mailbox with

stuff. I'll e-mail information to you about a

product, and if I get a response from you, then I'll

send you the file.

ALSO:

Everytime Imperial Software creates a program that

is marketed, rather than distributed as ShareWare or

FreeWare, you enter a drawing for a free copy.

If you pay the partial amount of five dollars, you get:

1) unlimited help via e-mail for Media Player.

2) notices for other ShareWare products through e-mail.

If you pay nothing, you get:

1) nothing
