

Bugs

Currently, I have found none. If you should find one, please report it to me via e-mail to franke1@llnl.gov or via "hard" mail to:

Norman Franke
1885 Paseo Laguna Seco
Livermore, CA 94550

Also, please feel free to write if you have any kind suggestions, any questions about SoundApp 1.1 or my plans for future versions.

Potential Future Additions

- Save/Open of File Lists
- Conversion to various sound formats
- Support for other sound formats and various compression schemes
- Double-buffering of compressed SoundCaps, if possible
