screen. Freight+ Junior is bundled with Freight+. Optional: Electronic Scale - reads directly into the weight field of Freight+ Junior (TSR) while in your accounting system. Bar Code reader FREIGHT+ BOOK MASTER \$3000.00	1 1 1 1 1
-Freight+ Book Master can maintain unlimited UPS Log Books. At the end of the day you print each manifest. This is ideal for shippers who ship for multiple companies and have to maintain each set of individual UPS log books. Freight+ Book Master has all of the features of Freight+ and includes Freight+ Junior Book Master (TSR) which allows you to calculate all UPS charges, print COD/Shipping Tags, and post back to any selected Log Book. From anywhere on your computer
