Demonstration

Click this box to RUN

(or press Ctrl+Shift+D)

Registration

Click this box to PRINT FORM

(or press Ctrl+Shift+R)

Welcome

Welcome to gScript (A. K. A) the Gadfly Script Formatter. This document will run a short demo of some of the capabilities of gScript. Simply double click on first box above.

You can also fill-in and print a registration form by double clicking on the second box above.

Fee

This macro is distributed as ShareWare. If you use the macros contained in this document, please register.

A fee of \$75.00 per installation is required.

A registration reminder screen will appear when you 1) create a new project and 2) execute the FormatScript macro.

When you register you will received a key to disable this message.

Upgrades fee

If you are already registered for a prior version of gScript, the fee for registering this version is \$20.00
