## **FANtastic Audio Clips**

You and your computer will get a kick out of the many FANtastic audio clips you'll find in the audio clip library. You can preview these sounds and add them to computer functions.....completing the NFL takeover of your computer!

See pages 12 and 13 in the Installation and Use Guide for details.. The installation is fast and easy. Just follow the instructions below.

From the Windows "Start" menu, select "Settings" and then "Control Panel".

Double-click on the "Sounds" icon.

Sounds Properties
