

UPDATE

You will find future updates on:

- Visual Office's homepage (<http://ourworld.compuserve.com/homepages/visualoffice>)
- WUGNET's WINPROD Forum on Compuserve (GO WINPROG Library 21).

Updates to minor releases are free.

WEB Pages

Folders with shortcut to WEB page contained in the Internet Web sites file cabinet are excluded from search process with default parameters. They have creation date in 1980.
