ClickDown 4.00 for Windows 95

<u>created by:</u> Cermak Technologies Waynesboro, Pennsylvania Email: clickdown@cermak.com Internet: http://www.cermak.com/techguy/cd4/ Phone: 717-762-8234 Fax: 717-762-5333

After installation, to put the ClickDown icon on your Desktop:

- 1. From within Windows 95, right-click on the Start button.
- 2. Choose 'Open'.
- 3. Double-click on 'Programs'.
- 4. Drag the ClickDown icon from the Programs window to your Desktop.
- 5. Close all windows.

After installation, to have the ClickDown icon always appear on the TaskBar:

- 1. Right-click on the Start button
- 2. Choose 'Open'.
- 3. Double-click on 'Programs'.
- 4. Right-drag the ClickDown icon to the 'Startup' folder and choose 'Copy Here'.

To uninstall ClickDown:

- 1. If it is running, close ClickDown.
- 2. Click on the Start button and choose 'Control Panel' from the 'Settings' menu.
- 3. Double-click on 'Add/Remove Programs'.
- 4. Highlight ClickDown and click Remove.

NOTE: If you move the icon to the Desktop, it will not automatically be removed and an error message may appear.
