

TrayDrive is Copyright © 1996, 1997, EBus, All Rights Reserved

# <u>Synopsis</u>

**TrayDrive** allows a Windows NT 4.x or Windows 95 user to add one or more hard disk graphs to the system tray. These graphs present the user with a quick yet accurate analysis of all accessible drives including local, LAN, CD-ROM, and removable drives.

# **Platforms**

TrayDrive was written for Windows NT 4.0 and Windows 95.

#### Major features

o Displays convenient task bar icon next to the task bar clock.

6:37 PM or

😇 👿 6:41 PM

Drive C Usage: 50%/977.6 Mb free 6:37 PM

o Displays convenient tooltip over **TrayDrive** task bar icon.

o TrayDrive can monitor one or more drives. (see Drives)

o **TrayDrive** can provide feedback on drive status based on Percentage Used or MB Free. (see <u>Warnings</u>)

o **TrayDrive** can monitor the drive(s) using several standard rates as well as **Custom**, with which the user can specify any rate from every second to over 48 hours. (see <u>Other Options</u>)

# **Registration**

**TrayDrive** is Shareware. You may use it for a trial period of **30** days. After **30** days, you must either register the product or discontinue usage of it. The registration fee is **US \$15**. For detailed information, please see the <u>Registration</u> page.

# Installation/Uninstallation/Startup Folder

# **Installation**

**TrayDrive** is distributed in 2 ways:

A. As a self-installing executable (exe)

- B. As a zip file containing the base files for **TrayDrive**
- o For the self-installing executable, simply double-click on the .exe and follow the on-line instructions.
- o For the zip file, unzip the file and place all the files in a new folder, perhaps called **TrayDrive**. To run the program, execute or double-click **TrayDrive.exe**.
- o For both installations, to schedule **TrayDrive** to always run at startup of Windows NT or 95, create a shortcut in your "Startup" folder.

# **Detailed shortcut information**

Using the Explorer, right click and drag **TrayDrive.exe** and drop it in your **Startup** folder, choose **Create Shortcut Here** from the popup menu. For detailed help, please see the manual for NT or 95, refer to **Shortcuts**.

# **Uninstallation**

<u>If you installed using the self-installing .exe file</u> Go to Control Panel -> Add/Remove programs and select **TrayDrive** from the listing - **TrayDrive** will automatically uninstall.

If you manually unzipped the **TrayDrive** files Delete the folder you created during the install, perhaps called **TrayDrive**.

All the files and settings used by **TrayDrive** will be deleted.

|  | Options            |
|--|--------------------|
|  | <u>A</u> bout      |
| ⊻ia the web<br><u>F</u> ill out form to mail, fax, or e-mail | <u>R</u> egister 🕨 |
|  | <u>H</u> elp       |
|  | E <u>x</u> it      |

The Popup menu is accessed by clicking with mouse button two on the **TrayDrive** task bar icon.

The Popup menu offers the following commands:

| s for <b>TrayDrive</b>                    |
|---|
| t screen for <b>TrayDrive</b>             |
| <b>Drive</b> via the web                  |
| <b>Drive</b> via the mail, fax, or e-mail |
|   |
| <b>Drive</b> Help                         |
| ive                                       |
|   |

Use this menu item to open the options screen for **TrayDrive**. Options can also be opened by double-clicking on the **TrayDrive** icon.

The following options are then available:

| Options ? 🗙                         |
|-------------------------------------|
| Drives Warnings Other               |
| Drive Options                       |
|                                     |
|                                     |
|                                     |
|                                     |
| C Rotate drive graph using one icon |

Press Exit on the Popup Menu to exit TrayDrive

- o Click with mouse button 2 to access the Popup Menu
  - o Use Options to change the options for TrayDrive.
  - o Use <u>About</u> to view the About screen for TrayDrive and/or register TrayDrive.
  - o Use Register via the web to Register **TrayDrive** via the web.
  - o Use Register via mail, fax, or e-mail to Register TrayDrive via the mail, fax, or e-mail/
  - o Use <u>Help</u> to access the **TrayDrive** Help.
  - o Use <u>Exit</u> to exit **TrayDrive**.
- o Double-click the **TrayDrive** icon to access the <u>Options</u>.

- o If **TrayDrive** is used to monitor Network drives, there may be a short delay while the <u>Options</u> screen loads to query the drives for needed information.
- o **TrayDrive** can be used in several places to start a web browser (The <u>About</u> page, or <u>Register via the web</u> on the <u>Popup Menu</u>). This feature may not work with all browsers. If you encounter an error, please start your browser manually and enter the web page address noted on the **TrayDrive** warning message.
- o If you come across any other problems with **TrayDrive**, please do not hesitate to contact the author of **TrayDrive**. (see <u>Contacting the Author</u>)

|                                       | Options            |
|---------------------------------------|--------------------|
|                                       | <u>A</u> bout      |
| ⊻ia the web                           | <u>R</u> egister → |
| Fill out form to mail, fax, or e-mail | <u>H</u> elp       |
|                                       | E <u>x</u> it      |

This menu item will open your web browser and browse to site **http://ebus.simplenet.com/registration.htm** for **TrayDrive** on-line registration.

Thank you for your support!

o Support for rotation of drives (see <u>Drives</u>)
o Display of drive letter on graph (see <u>Other Options</u>)
o **Custom** rate (see <u>Other Options</u>)
o Context-sensitive help (see <u>On-line Help</u>)

This menu item will start the **Register** application to initiate registration for **TrayDrive** via mail, fax, or e-mail.

Registrations will be sent to Kagi, a registration service provider noted in the Register program. Thank you for your support!

**TrayDrive** is a Shareware program and is provided at no charge to the user for evaluation. If you

find this program useful and find that you are using **TrayDrive** after the **30** day trial period, you

must pay a registration fee of **\$15** (US) to **<u>EBus</u>** or discontinue your usage of **TrayDrive**.

Why should I register?

- Registration of TrayDrive will entitled you to all versions of TrayDrive, now and in the future
- o You will be supporting the Shareware concept and keeping Shareware prices low for everyone.
- Although all feedback and/or comments are much appreciated, (see <u>Contacting</u> <u>the Author</u>) your input on what new features should be included in new releases of **TrayDrive** may carry greater weight.
- o Appreciation from the author of **TrayDrive**.

**TrayDrive** may be registered in many ways:

Using the **<u>EBus</u>** on-line registration:

Go to **http://ebus.simplenet.com/registration.htm** for **TrayDrive** on-line registration or select <u>Register via the web</u> from the <u>Popup Menu</u>

Using the **EBus** registration program: Select <u>Register by mail, fax, or e-mail</u> from the <u>Popup Menu</u>

By sending a check or money order (US funds only) to: **EBus** 2430 Erie Drive Concord, CA 94519 USA

# How to Register TrayDrive once you have your Registration Code

Once you have received a registration code from <u>EBus</u>, open the <u>About</u> screen and press **Register**. You will then be presented with the following screen:

**OK** Button

Press **OK** to validate your Registration Name and Code and

|                          | save and exit the screen.                                     |
|--------------------------|---|
|                          |   |
| Cancel Button            | Press Cancel to abandon registration and return to the        |
|                          | <u>About</u> screen   |
| ? Symbol                 | Use the ? or mouse button two to get context-sensitive        |
|                          | help - <u>Please explain</u>                                  |
| Name                     | Enter the name you used to register TrayDrive. Note:          |
|                          | You must use the same name for the registration code to work! |
| <b>Registration</b> Code | Enter the Registration code provided to you by <u>EBus</u> .  |
|                          |   |
| How To Register          | Press for this help screen.                                   |
| Button                   |   |
|                          |   |

# v1.1 - March 25, 1997

- o Support for rotation of drives (see <u>Drives</u>)
- o Display of drive letter on graph (see <u>Other Options</u>)
- o **Custom** rate (see <u>Other Options</u>)
- o Context-sensitive help (see On-line Help)

# License/Disclaimer/Copyright/Restrictions

TrayDrive is Copyright © 1996, 1997, EBus, All Rights Reserved

### DISCLAIMER OF WARRANTY

THIS SOFTWARE IS PROVIDED "AS IS" AND WITHOUT WARRANTIES AS TO PERFORMANCE OF MERCHANTABILITY OR ANY OTHER WARRANTIES WHETHER EXPRESSED OR IMPLIED. BECAUSE OF THE VARIOUS HARDWARE AND SOFTWARE ENVIRONMENTS INTO WHICH THIS PROGRAM MAY BE PUT, NO WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE IS OFFERED. THE USER MUST ASSUME THE ENTIRE RISK OF USING THE PROGRAM. IN NO EVENT WILL THE AUTHOR BE LIABLE TO YOU FOR ANY DAMAGES, INCLUDING INCIDENTAL OR CONSEQUENTIAL DAMAGES, ARISING OUT OF THE USE OF THE PROGRAM, EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

YOU ACKNOWLEDGE THAT YOU HAVE READ THIS LICENSE, UNDERSTAND IT AND AGREE TO BE BOUND BY ITS TERMS AS THE COMPLETE AND EXCLUSIVE STATEMENT OF THE AGREEMENT BETWEEN US, SUPERSEDING ANY PROPOSAL OR PRIOR AGREEMENT, ORAL OR WRITTEN, AND ANY OTHER COMMUNICATIONS BETWEEN US RELATING TO THE SUBJECT MATTER OF THIS LICENSE.

#### LICENSE

**TrayDrive** is a Shareware program and is provided at no charge to the user for evaluation. If you find this program useful and find that you are using **TrayDrive** after the 30 day trial period, you must pay a registration fee of US \$15 to **EBus** or discontinue your usage of **TrayDrive**. (see <u>Registration</u>)

The registration fee will license one copy of **TrayDrive** for use by a single person who may use the software on one or more computers. The registration fee covers this and any future version of **TrayDrive**, and entitles the user to free technical support and free version upgrades by mail, e-mail, and web page.

Quantity discounts and Site licenses are available.

#### COPYRIGHT

All title and copyrights in and to the software product and any copies thereof are owned by the author.

RESTRICTIONS

You must maintain all copyright notices on all copies of the software product.

You may not reverse engineer, decompile, or disassemble the software product.

You may not rent or lease the software product.

You may permanently transfer all of your rights under this Agreement.

You must comply with all applicable laws regarding the use of the software product.

#### DISTRIBUTION

Regardless of your registration status, you're encouraged to distribute the UNREGISTERED version of **TrayDrive**. The REGISTERED version may NOT be distributed by any means.

You must include all files in the original distribution.

If **TrayDrive** is to be distributed on a read-only medium such as CD-ROM, then it is strongly recommended that the selfextracting .exe version with Setup routine is used, rather than the .zip file or individual uncompressed files. This version is available on the **EBus** web page at **http://ebus.simplenet.com** 

This software cannot be resold or used in any profit-generating activities, including, but not limited to, distributing **TrayDrive** as part of commercial products, or in support of commercial services, without the author's expressed written permission.

TrayDrive is Copyright © 1996, 1997 EBus, All Rights Reserved

Use the above menu item from the Popup menu to access the help for **TrayDrive**.

Context-sensitive help is also available

o By pressing the help button in the upper right of any dialog(1) <u>Please explain further</u>o By clicking with mouse button 2 on anything in a dialog, you will get a popup menu,

<u>What's This?</u> if that item has specific help associated with it. Select **What's this?** From the menu to receive specific help on that item.
