Douchebak Megaplan ontwerp Sottsass Associati Milaan.

Puur plezier tot in de lengte van jaren.

In de grootste emailleerovens ter wereld produceert Kaldewei van glasvormende, natuurlijke grondstoffen een speciaal email waarvan het oppervlak gegarandeerd vele jaren lang onveranderlijk blijft. Op het gladde, glas-harde oppervlak ontstaan zelfs geen microscopisch kleine krasjes: bacteriën hebben geen kans om zich te nestelen. Een belofte die Kaldewei nakomt met een garantie van 30 jaar op zijn badkuipen en douchebakken.

Pressalit Privilege en Pressalit Projecta

- twee duidelijke keuzes voor de projectmarkt

Pressalit Privilege

Pressalit Privilege is een versterkte zitting. De zitting is verkrijgbaar in drie verschillende versies – met een universeel scharnier, een scharnier met doorlopende pen en in een verhoogde uitvoering. De zitting ligt stabiel op het closet door de stabilisatieknoppen, die de zitting goed tegen het closet klemmen. Dit maakt het dagelijks gebruik nog iets veiliger.

Het nieuwe flexibele universele scharnier is elegant in vorm en functie. En eenvoudiger te reinigen.

Voor een extra sterke en stabiele montage van de zitting is het projectscharnier met tussenstang de juiste keus.

De verhoogde zitting helpt mensen met beperkte bewegingsmogelijkheden.

Pressalit Projecta

Pressalit Projecta is, zoals de naam al zegt, geschikt voor projecten. Projecta heeft een extra sterke en stabiele bevestiging, door de nieuwe, verbeterde vaste en universele projectscharnieren met doorlopende pen. Het resultaat: grotere stabiliteit, eenvoudigere montage en een strakke vormgeving.

Een vast projectscharnier garandeert een stabiele bevestiging - door de tussenstang en de ononderbroken bevestigingsbouten voor de montage op het keramiek - op alle closettypen.

Bij het universele projectscharnier hebben de bevestigingsbouten een grote verstelbaarheid door de 360° draaibare scharnierbases.

Voor risicovolle plaatsen kan een universeel projectscharnier met anti-diefstalbevestiging (met speciale sleutel) worden gemonteerd.

XS

WISA introduceert een heel nieuwe generatie inbouwsystemen: WISA XS. Met een breedte van slechts 38 cm méér mogelijkheden èn handzaamheid voor de installateur!

Het WISA XS frame is meer dan een smal inbouwsysteem. De bekende WISA spoeltechniek is geoptimaliseerd volgens de laatste trends en ontwikkelingen. Gerealiseerd op basis van de praktijkervaring die u als vakman met ons deelt.

WISA XS is verkrijgbaar in maar liefst elf varianten; frames voor droge en natte afwerking, hoekplaatsing en een frame dat na afwerking nog in hoogte verstelbaar is! Ook frames voor wastafel en urinoir behoren tot het XS assortiment. En natuurlijk een bijpassende serie bedieningspanelen. Van rustig rond tot strak en vierkant. Uiteraard ook XS en verkrijgbaar in verschillende kleuren.

Voor uw gemak zijn de inbouwsystemen uiterst eenvoudig te installeren en af te stellen. De voordelen zijn dus eindeloos. Als vakman mag u dat van ons verwachten!

Eén van de vele grote voordelen van de nieuwe WISA XS inbouwsystemen

ALGEMENE VERKOOPS- EN BETALINGSVOORWAARDEN PLIEGER B.V. EN VESTIGINGEN

Aanbiedingen, Orders

1. Onze aanbiedingen, prijscouranten en CD-Rom zijn vrijblijvend, tenzij wij uitdrukkelijk anders vermelden. Bestellingen zijn voor ons slechts bindend, indien zij schriftelijk door ons zijn bevestigd. Aanvullingen, wijzigingen of afspraken, ook met onze vertegenwoordigers zijn niet van kracht zonder onze schriftelijke bevestiging. Behoudens uitdrukkelijke afspraak leveren wij gewone handelskwaliteit. Eventueel verlangde bijzondere kwaliteiten dienen bij een bestelling uitdrukkelijk te worden vermeld. Afbeeldingen, beschrijvingen, maten en gewichten, voorkomend in onze catalogi, prijscouranten, CD-Rom en aanbiedingen, zijn voor ons niet bindend. Adviezen onzerzijds omtrent toepassing van het door ons geleverde zijn vrijblijvend en leiden niet tot aansprakelijkheid onzerzijds voor de (wijze van) toepassing van het geleverde.
2. Wij zijn steeds gerechtigd, ook na gedeeltelijke uitvoering, vóór verdere levering, van de koper en zekerheidsstelling voor de tijdige en algehele voldoening van zijn verplichtingen te vorderen.
3. Overeenkomsten die per e-mail of internet tot stand komen, worden geacht te zijn gesloten in Zaltbommel.

Prijzen

4. Al onze prijzen zijn in euro's en gelden, indien niet anders overeengekomen, exclusief verpakking, af magazijn, of bij koop of aanvoer, af fabriek. Alle vrachten, in- en uitvoerrechten, statio-, opslag-, bewakings- en inklaringskosten, belastingen of andere heffingen, die na sluiten van de koopovereenkomst worden ingevoerd of verhoofd, komen, evenals nadien ingetreden voor ons nadelige wijzigingen van de wisselkoers, ten laste van de koper. Emballage, voorzover deze niet in de koopprijs is begrepen, wordt tegen de kostprijs berekend; de emballage wordt door ons teruggenomen en 2/3e van de kostprijs vergoed, mits zij vrachtvrij en in goede staat aan ons is teruggezonden. Mocht franko-levering zijn overeengekomen, zo hebben wij nochtans het recht om, indien de factuurwaarde der geleverde goederen lager dan € 770,- blijkt te zijn, de vracht aan de koper in rekening te brengen.

Levertijd

5. De levertijd geldt bij benadering, overmacht en onvoorziene omstandigheden voorbehouden. Bij aanbrenging van een tussentijdse wijziging in de order, wordt de levertijd overeenkomstig verlengd. Overschrijding van de levertijd geeft geen recht op verandering van betalingsvoorwaarden, korting, schadevergoeding of schadeloosstelling, noch op intrekken van de order. In geval van overmacht en/of onvoorziene omstandigheden, wordt de uitvoering van de bestelling opgeschort tot na het eindigen daarvan, tenzij wij binnen 90 dagen na het zich voordoen van een dergelijk geval schriftelijk aan de koper berichten, dat wij de bestelling, voorzover niet uitgevoerd, annuleren, in welk geval wij evenmin tot enige schadevergoeding of schadeloosstelling verplicht zijn. Ook wanneer levering uit voorraad is overeengekomen, hebben wij steeds het recht op aanvoer van een of meer fabrieken te leveren.

Overmacht

6. Onder overmacht wordt onder meer verstaan: ziekte onder het personeel, bedrijfsstoornis, mate-riaalfouten, gebrek aan grondstoffen, transportmoeilijkheden, oproer, staking, uitsluiting, maatregelen voortvloeiende uit mobilisatie, oorlogsgevaar, oorlogsdaden, maatregelen van overheidswege, ook indien deze moeilijkheden zich voordoen bij de fabrikant of een derde bij wie wij onzerzijds de ons opgegeven bestelling hebben geplaatst. Indien onder dergelijke omstandigheden onze leveranciers door prijsstijgingen en/of loonsverhogingen genoodzaakt zijn de met ons overeengekomen prijzen en voorwaarden te wijzigen, dan zullen wij dezelfde bevoegdheid tegenover onze kopers hebben.

Garantie

7. Voor de deugdelijkheid van de door ons geleverde goederen gaat onze garantie en aansprakelijkheid niet verder dan waarvoor door onze leveranciers wordt ingestaan. Onze garantie omvat in dat geval slechts het gratis herleveren, of gratis door ons doen herstellen van die onderdelen, waaraan gedurende de garantietermijn door ondeugdelijkheid van materiaal of constructie enig gebrek mocht ontstaan, indien dit onverwijld te onze kennis wordt gebracht en het onderdeel vrachtvrij aan ons wordt toegezonden. Wij zijn niet aansprakelijk voor schade door te late levering, bedrijfsstilstand, montage of demontage, winstderving of anderszins. De koper heeft niet het recht betaling te weigeren op grond van het feit, dat goederen, waarop onze garantie betrekking heeft, nog niet zijn hersteld of vervangen. Van defecten, tengevolge van onoordeelkundige behandeling en andere buiten het geleverde liggende factoren en/of van buiten af op het geleverde inwerkende omstandigheden, alsmede voor die gevallen waarvan de oorzaak niet duidelijk door de koper kan worden aangetoond, en in geval de koper zelf reparaties en/of veranderingen aan het geleverde aanbrengt, vervalt de garantie en aanvaarden wij geen aansprakelijkheid. Op reparaties wordt geen garantie verstrekt; vervangen onderdelen worden ons eigendom.

Vrijwaring

8. Onze aansprakelijkheid is beperkt tot de factuurwaarde van het aan de koper geleverde produkt waarop ons aansprakelijkheid betrekking heeft. De koper vrijwaart ons en stelt ons schadeloos terzake van aanspraken op schadevergoeding welke derden ten laste van ons moeten maken in verband met de door ons aan hem, koper, geleverde artikelen.

Vervoer

9. Het vervoer geschiedt steeds voor rekening en risico van de koper. Behoudens bijzondere afspraak bepalen wij het vervoermiddel. De clausele "onvoldoende verpakt" op vrachtbrieven of cognossementen dient slechts ter voldoening aan vervoersvoorschriften en geeft de koper nimmer enig recht jegens ons.

Verzekering

10. Wij verzekeren het transport alleen dan, indien de koper zulks uitdrukkelijk heeft verzocht. De kosten der verzekering zijn voor rekening van de koper.

Aflevering

11. Wanneer een gedeelte van een bestelling gereed is, kunnen wij dit deel leveren of wachten totdat al het bestelde gereed is. In het eerste geval moeten onze facturen, betrekking hebbende op de gedeeltelijke levering, overeenkomstig de voor de gehele order geldende betalingsvoorwaarden worden voldaan. Onze kopers kunnen alle uit onze magazijnen te leveren goederen vóór de verzending bezichtigen. Onze aansprakelijkheid eindigt zodra de goederen ons magazijn verlaten. Als datum van betaling geldt de dag waarop de betaling in onze kas is gestort, resp. wij van de bank of girodienst de bevestiging van de ontvangst van de betaling hebben ontvangen. Het tijdstip van geven van de betalingsopdracht door de koper of van uitvoering door diens bank of girodienst is hiervoor niet bepalend. Bij betaling ná aflevering moet deze te onze kantore geschieden.

Rente en kosten

17. De debiteur, die in verzuim is, is vanaf de dag, waarop de betaling uiterlijk had moeten plaatsvinden, aan ons een rente verschuldigd van 1% per maand of een gedeelte van een maand. Alle kosten, zowel gerechtelijke als buitengerechtelijke, door ons te maken om tot inning van het faktuurbedrag te geraken, komen ten laste van de nalatige debiteur. Gerechtelijke kosten zijn de door de rechter te liquideren proceskosten. - 3.1. De overeengekomen levertijden zijn steeds benaderend
- 3.2. Onverminderd het bepaalde onder art. 2 sub 5 en ook buiten het geval van overmacht, geeft verschijding van voornoemde levertijd koper geen recht op ontbinding van de overeenkomst en/of schadevergoeding, tenzij koper opzet of grove schuld van verkoper bewijst.

- 4.4. Indien de reclame van koper met inachtneming van het hierboven bepaalde, gegrond is, heeft koper de keuze tussen herlevering of - voor zover verkoper daarin ondanks deugdelijke schriftelijke ingebrekestelling van de koper toerekenbaar tekort schiet - gehele c.q. gedeeltelijke ontbinding van de overeenkomst. - 4.7. Indien deze overeenkomst zaken betreft die verkoper van derden betreft of betrokken heeft, is verkopers verantwoordelijkheid en/of aansprakelijkheid beperkt tot datgene waarvoor verkopers leverancier jegens verkoper verantwoordelijk en/of aansprakelijk is. Verkoper verleent garantie ingeval van gebreken en fabricagefouten in de door verkoper geleverde goederen en apparatuur, voor zover de betrokken fabrikant de garantie verleent aan verkoper, tenzij tussen koper en verkoper uitdrukkelijk schriftelijk anders is overeengekomen.
- 4.11. De garantie bestaat uitsluitend daarin dat verkoper kosteloos de vervangende onderdelen aan koper ter beschikking zal stellen. Het demonteren van defecte onderdelen en het vervangen daarvan door nieuwe onderdelen, inclusief de kosten van hulpmiddelen en inzet van derden, is voor rekening en risico van koper, tenzij uitdrukkelijk schriftelijk anders overeengekomen

Vervoer

- 5.1. Indien de zaken, ongeacht de overeengekomen wijze van vervoer, ter afname voor koper gereed staan en verkoper zulks aan koper heeft medegedeeld, is koper terstond tot afname verplicht. Niet nakoming van deze verplichting geeft verkoper het recht de zaken voor rekening en risico van koper op te slaan, respectievelijk opgeslagen te houden en aan koper te factureren zonder dat daarna betaling kan worden geweigerd omdat nog niet werd geleverd.
- 5.2. De koper is verplicht, zodra het vervoermiddel bij hem is aangekomen tot de snelst mogelijke lossing verplicht. Bij niet nakoming van deze verplichting is het onder 5.1. bepaalde van overeenkomstige toepassing.

- 5.4. Door verkoper te leveren zaken reizen voor rekening en voor risico van verkoper, tenzij uitdrukkelijk anders is overeengekomen.
- 5.5. Verkoper behoudt zich het recht voor, na mededeling vooraf door verkoper om voor opdrachten voor levering van zaken met een door verkoper vast te stellen netto orderwaarde exclusief BTW vrachtkosten en/of eventuele administratieve kosten in rekening te brengen. Deze kosten worden niet berekend voor goederen die tegen contante betaling worden afgehaald.

Betaling

- 6.1. Elke betaling moet geschieden binnen dertig dagen na levering, netto contant en zonder dat koper recht heeft op enige niet uitdrukkelijk overeengekomen korting of verrekening. Afwijkende betalingsregelingen dienen schriftelijk te worden overeengekomen. De koper is verplicht, zodra het vervoermiddel bij hem is aangekomen tot de snelst mogelijke lossing verplicht. Bij niet nakoming van deze verplichting is het onder 5.1. bepaalde van overeenkomstige toepassing.
- 6.2. Koper wordt geacht in gebreke te zijn met de betaling zonder dat sommatie of ingebrekestelling vereist zal zijn, na het verstrijken van de sub 1 bedoelde termijn indien geen volledige betaling in die termijn heeft plaatsgevonden, dan wel indien voorlopige surséance van betaling of faillissement of (buitengerechtelijke-) schuldsaneringsregeling is aangevraagd c.q. is uitgesproken.

Eigendomsvoorbehoud

- 7.1. Alle geleverde zaken blijven bij uitsluiting eigendom van verkoper tot aan het moment waarop koper aan alle verplichtingen - voortvloeiende uit of samenhangend met overeenkomsten waarbij verkoper zich tot levering heeft verplicht - voldaan heeft. Tot dat tijdstip is koper gehouden de door verkoper geleverde zaken gescheiden van andere zaken en duidelijk geïdentificeerd als verkopers eigendom te bewaren. Het eigendomsvoorbehoud laat het recht van koper om binnen de normale uitoefening van zijn bedrijf de zaken aan afnemers te verkopen alsmede zijn recht om de zaken te verwerken, onverlet, zolang verkoper geen gebruik maakt van zijn recht deze rechten van koper op te zeggen wegens niet-nakoming door koper van zijn verplichtingen jegens verkoper.

- 8.2. Alle geschillen welke tussen partijen mochten ontstaan, zullen bij uitsluiting berecht worden door de in Nederland bevoegde rechter binnen wiens rechtsgebied de vestigingsplaats van verkoper is gelegen tenzij de wet bij regels van dwingend recht een andere rechter bevoegd heeft verklaard.
- 8.3. De vernietiging en/ of de nietigheid van enige bepaling van deze voorwaarden laat de geldigheid van de overige bepalingen van deze voorwaarden onverlet.
