## Main Menu

The main menu for Disk 5 of the Print Perfect Suite is a TABBED NOTEDBOOK. When you begin the program, it appears as follows:

{ewc D2HTLS32, D2H\_256Color, help0001.bmp}

*Main menu, first tab*

To move from one tab to another, click on the TAB you wish to select:

{ewc D2HTLS32, D2H\_256Color, help0002.bmp}

*Tabs*

The tabs are located on the top left hand corner of the program.

## Special Collections

Print Perfect Disk 5 presents special clip art collections which are in addition to the 24,000 Images presented on other disks. Click the button related to each collection to view it.

These collections are:

**More:**

[16 bit clipart](#)

[Cooking](#)

[Garden](#)

[Holiday Collection](#)

[Children's Collection](#)

## **16 bit clipart**

This is a special collection created by Cosmi contains images that are small in size and use limited colors.  
To access this collection, click on the 16 bit clip art button.

{ewc D2HTLS32, D2H\_256Color, help0003.bmp}

*16 color images*

## Cooking

This collection contains foods, family scenes, home economics and other cooking and food related images. If you need a picture of an eggplant, here's where to get one! Many images are black and white. To access this collection, click on the cooking button:

{ewc D2HTLS32, D2H\_256Color, help0004.bmp}

*Cooking images*

## Garden

We have collected clip art images of many plants, garden implements, farm equipment and other agricultural scenes. This collection provides you with a one of the largest collections of garden and outdoor clip art available. To access this collection, click on the garden button:

{ewc D2HTLS32, D2H\_256Color, help0005.bmp}

*Garden images*

## **Holiday Collection**

We have collected many different types of holiday image, some religious, others fun, for holidays throughout the year. To access this collection, click on the holiday button:

{ewc D2HTLS32, D2H\_256Color, help0006.bmp}

*Holiday collection*

## **Children's Collection**

This exclusive collection was created by an artist specializing in illustration for children. These "kid tested" images are clear and bright. To access this collection, click on the Kid's button:

{ewc D2HTLS32, D2H\_256Color, help0007.bmp}

*Children's collection*

## Browser

These clip art collections are all supplied with a browser. This simple browser allows you to see thumbnail images of the images in each folder, and allows you to open these images in paint or other appropriate program. You may also copy the images onto the Windows Clipboard.

{ewc D2HTLS32, D2H\_256Color, help0008.bmp}

*Browser*

As the cursor rests over each image, you will see the name and size of the image in the lower right hand corner of the program:

{ewc D2HTLS32, D2H\_256Color, help0009.bmp}

To open the image in the program associated with the image, double click.

The browser's menus provide the following functions:

{ewc D2HTLS32, D2H\_256Color, help0010.bmp}

Copy to clipboard makes the image available to other programs such as Print Perfect's desktop publisher.

## Learn design techniques and tricks

Print Perfect provides video help on design and use of the program.

The video tab appears as follows:

{ewc D2HTLS32, D2H\_256Color, help0011.bmp}

*Video tab*

To select a video, click on the radio button. A small dot will appear:

{ewc D2HTLS32, D2H\_256Color, help0012.bmp}

You must then click SELECT:

{ewc D2HTLS32, D2H\_256Color, help0013.bmp}

You have now selected the video. Click on the VCR play button to begin the video:

{ewc D2HTLS32, D2H\_256Color, help0014.bmp}

Once a video has begun, you may pause or end the video using the VCR buttons:

{ewc D2HTLS32, D2H\_256Color, help0015.bmp}

The yellow button is pause, the red is stop.
