     Large collection of various tool.

  _____
  (==========/ CLICK ON UNPACK BUTTON TO EXTRACT DISK TO DF0: /==========)

  U001 A-GENE4 (1mb)   UNPACK
        Genealogy Data Based. This disk can help you traced your family
        tree.

  U002 AMIGA SYSTEM TESTER   UNPACK
        Great programme for test if your A500 to A2000 function properly eg
        test, Ram, sound, graphic sprite, Disk drive ,internal clock ect
        very useful.

  U003 A64 EMULATOR   other see top note: UNPACK
        This is the latest C64 Emulator. You can really programme just like
        the real C64. You can evenload C64 software from disk by buying a
        special hardwares adapter from it author for about $28.

  U004 A64 GAMES 1 & 2   UNPACK DISK~A DISK~B

Contained lot of 64 games   please read doc on A64 emulator for
instruction for loading.

U006   AMIBASE 3.76   UNPACK
       Large friendly and powerful Databased all usual database functions.

U007   TEXT PLUS 2.2e   UNPACK
       Very easy to used word processor with lot of function.
       Very fast load less than 30 seconds

U010   AGATRON UTIL No6   UNPACK
       This disk contain ed a fractal generator also Texture (for deluxe
       paint brushes),ABC Comverter convert text object to video scapes.

U011   STAMPEDE disk magazines. (2disk)   UNPACK ~DISK~A DISK~B
       Very good disk magazines also include via licence a
       Full Price game (DRILLER 3D)

The Home Business II pack below, each disk contained various database,
spreadsheet, wordprocessor, calender ect

U016   HOME BUSINESS II Disk 1   UNPACK
U017   HOME BUSINESS II Disk 2   UNPACK
U018   HOME BUSINESS II Disk 3   UNPACK
U019   HOME BUSINESS II Disk 4   UNPACK
U020   HOME BUSINESS II Disk 5   UNPACK
U021   HOME BUSINESS II Disk 6   UNPACK

U023   BANKING   UNPACK
       Home account programme useful it keep track of where your hard earn
       money goes.

U024   D-LOCKS   UNPACK
       This great prog is very useful to lock your disk/HD so no one can
       access it with out your password

U027   ULTRAPAINT & SURF   UNPACK
       Very good paint packages includes most feature as found on
       easy to used. SURF IS a 3D modeling prog. Excellent collection.

U028   PROCTRACKER 2   UNPACK
       full music editor package also include some song and modules on the
       disk

U029   CAN DO (1mb)   UNPACK
        Very good programming langauge require 3 format disk as this is an
        pack version.

U030   COLOUR VISION   UNPACK
        Brillant programe let you test out what colour scheme on your home
        you can paint inside and out side even the funiture as well
        very easy to used many example room to choose
        from (even for just fun how about blue plant!!)

U031   C-LIGHT (1mb)   UNPACK
       This use to be a commercial ray trace prog lot of feature and
       sample picture. excellent

```
U033 CROSS DOS                                              UNPACK
     Make DF1 (external disk drive) in to a MS Dos for transfer file
     between PC <> Amiga. To a small dispointed CUSTOM SW-CD01:er this
programe do
     not run Pc software.

U034 C-MANUAL (3DISK)                          UNPACKDISK ~A~~B~~C~
     Want to learn Machines codes as this three disk contained enouge
     example to help you learn machines codes very easy .
     ----------------------------------------------
U037  CHECK BOOK ACCOUNTANTS 2                              UNPACK
      Excellent prog for keeping track of your bank ballance.

need a little utilities for any job below each disk pack up to 200 little
per disk pretty good value for a single disk prices eh.
U046  DARKSTAR no2                                          UNPACK
U047  DARKSTAR no3                                          UNPACK
U048  DARKSTAR no4                                          UNPACK
U049  DARKSTAR no5                                          UNPACK

U059  DISK-SALVAGE 1.4                                      UNPACK
      Good utility for salvage any remaim programe from your dammage
      disks. Must for any A500 1.3 owner as version 2 dont
      run on your machine

U060  DCOPY (1mb)                                           UNPACK
      Very easy to used disks copiers.

U064  EXTRAVAGANZA                                          UNPACK
      Excellent compilation of useful utility includes Show Wiz (brillant
      Text displayer) ,hack ,tool, pointer animation, font coach. ect
      total  29 very good  utility.

 U069  FLEXI BASE                                           UNPACK
       Small easy to operate database.

 U071  GAMES MUSIC CREATOR                                  UNPACK
       Make music for your game also support MIDI.

 U072  UTILITY collection                                  UNPACK
       Very good collection of prog include IFFmaster Diskcruncher, Mod
       professor, Celbit Demo maker MENUWRITE ,more to long to list.

 U079  JAZZ-BENCH                                           UNPACK
       Workbench replacement

 U080  JAM-RIPPER                                           UNPACK
       This great programe enable you rip music module from DEMO ,game
        and  edit with the built in EDITOR include full imstruction.

 U082  PICTURESQUE                                          UNPACK
       Very good sprite/bob/icon editer very useful if you write your own
       games.

 U084  ICON                                                UNPACK
       Very large collection of all sort of ready to use ICON. Brillant to
```

creat your own CUSTOM SW-CD01: disk.

U087   CALV 1.2   UNPACK
        Excellent Database prog, can handle most thing.

U088   LABLE DESIGNER   UNPACK
        Good programme for design and print out your very own CUSTOM
SW-CD01:
        lablels

U090   MINDS (1MB)   UNPACK
        Animation and theory of how the human minds function with great
        theory of how artificial intelligence might works.
        please see disk U200

U091   MED 2.1   UNPACK
        Good music editor also include 8 ready to play sound modules.

U092   MAD BENCH V2 & TUTOR   UNPACK DISK~A DISK~B
        Good work bench replace includes sid ect, full menue drivens

U094   MASTER VIRUS KILLER I   UNPACK
        Very easy to used virus checker

U095   MASTER VIRUS KILLER II   UNPACK
        Really easy to use virus checker and killer and some disk tool.

U098   NIB COPY   UNPACK
        Easy to use Disk Copiers.

U099   NOISE PLAYER 4.   UNPACK
         Sames as U097 but contained about 20 ready to play sound modules.

U101   DATA BASE WORKSHOP   UNPACKDISK ~DISK~A~ ~DISK~B~
        If you ever need to catalogue all your software,video collection or
        anything in large quanity then this 2 Disks will do

U108   P.E.UTILITY No 5   UNPACK
        Load & load of more utilities

U109   PROTRACKER   UNPACK
        Like noisetracker and Soundtracker play/edit music modules

U110   P.D SPECTACULAR 1   UNPACK
        Good collection contained mixed utility,game, hacks e.g Amobea,
        Strips, Virus ect

U111   QUICKCOPY   UNPACK
        Very good disk copiers also contained many very essential disk
        utility eg Dirmaster (like Sid) Amiga monitor , Acalc,
        Virus checker, Disksalvage and more.

U112   RIM DATABASE   UNPACK
        Very large power database include full instruction ect well
        recommend.

U113   RAZOR TOOL DISK   UNPACK

Very useful collection special compile for disk user eg TX ED , ZAP
1.4, TRACK REPAIR ,power packer2.3, ec much too many to list at

U116   TEXT-ENGINE   UNPACK
Very good word proccesor with all the usual feature and a good
spelling checker

U117   NORTH C compiler A   UNPACK DISK~A DISK~B
Great package for any one learning machine code Un pack version
(UNPACKto 2 disk please prepare 2 ready format disks).

U120   SPEED BENCH   UNPACK
Fast work bench replacement load a lot faster than normal work
bench also include lot of W/B hack

U121   SPREAD SHEET   UNPACK
Very easy to used spread sheet full instruction includes and some
hacks and useful utility.

U122   SID 1.6   UNPACK
Perform Copy, delete, move file and all Cli command at a click
of a button. No Amiga should be with out.

U123   SUPER WORKBENCH V1.5   UNPACK
Good work bench replacement with some execellent useful utility
include Hunter, TextED , Fixdisk Icon-maker, Power packer ect.

U128   BUSINESS CARD MAKER   UNPACK
As the title, it let you design Bussiness card

U130   THINGIES   UNPACK
Stupid title for a disk, but it contained dozens of Hacks so shall
we call it HACK 1

U131   TETRA COPY   UNPACK
Great disk copier that let you play TETRIS whiles it copy disks.

U132   LSD CHEAT DISK I   UNPACK

U133   ACE CHEAT DISK II   UNPACK

U135   UTILITIES 1   UNPACK
Good utility specialy compile for disk user. include New Zap,DiskX,
Power Packer, Iconmaster, Fix Disk, Virus X 4.0, Diskopti, Diskview
Kill Fastmem. ect too many to list

U136   UTILITIES 2   UNPACK
Same as above but with different utilites. Winsize, VD0,QView,
Utilimaster Atree, Dneishe -Start Dotil, Calender, Hex Converter,
NoPalReset VCommands, Zoom, GFXmem, LhArcA, Fenster, Dmouse,
FSDir,eustreq, Xoper, Trackmon,
file Requester, Mouse Coords, Textra, Disk X, StartUp & SetKey.

U137   UEDIT   UNPACK
Good word-processor with all usual feature and SPELL CHECKER.

U140   VIRUS KILLER   UNPACK

        Good collection of virus killer includes Virus X System Z, View
        boot &boot save,Zero virus

  U141 MARLS UTILITY 3   UNPACK
        Very good compilation with Telstar Menu v1, Tetrapack Virus Remover
        v0.8, Virus Hunter v2.3, Boot'em v1.1, IRQ-Killer v0.7, Virus
        Killer CLI Boot'em Delux Preset-Ed, Stars, Slideshow Constr, Bench
        Quake,Jumpbench, Ex Windows, Score-Player, Util Master v 0.69, File
        Alloc.Map, Remap IFF Pics,
        Song Catch, Extract Fonts, L.V.O, Disksalv v1.32. and more

  U144 AMIGA FOX D.T.P   UNPACK
        The best PD Desk. Top. Publishing for the Amiga very easy to use
        full docs on disk.

  U145 XCOPY PROFFESIONAL   UNPACK
        This is an excellent coppier with lot of features Nibbler, DOS, dir
        function ect. very reliable

  U146 C-MANUAL 4 Disk UNPACKDISK ~A~ ~B~ ~C~ ~D~~D~ D
"SW-CD01:CUSTOM SW-CD0 1:UTILITIES/U149.DMS"}
        This is disk version of the C-manual. Ideal for any Amiga wish to
        learn how to write Amiga programe.

  U150 WORK-BENCH HACKS   UNPACK
        Good collection of 20 Workbench hack.

  U151 WORD WRIGHT   UNPACK
        Great word processor with load of extra feature.

  U152 WORK-STATTION   UNPACK
        Very good Workbench replacement include load of very useful
        disk management utilities

  U155 QL EMULATOR   UNPACK
        Turn your Amiga in to a Sinclair QL for less than a pound. Can run
        QL software via a shareware adaptor lead. full doc on disk.

  U158 MEGA UTILITES III   UNPACK
        40 excellent utility cramp on this disk

  U160 600 BUSINESS LETTER   UNPACK
        Very large collection of polite business letter, ready to use

  U161 EMULATOR DISKS   UNPACK
        collection of ATARI, SPECTRUM, A64 PACKAGE EMULATOR.

  U163 INCREDIBLE VIRUS DISK   UNPACK
        virus killer collection

  U164 ACS INTRO/DEMO MAKER   UNPACK
        Many Demo creator and Bootblock creator

  U165 DOPE INTRO MAKER   UNPACK
        Make your own demo with this super demo maker. lot of effect

  U169 PAINT AND ANIMATE   UNPACK

for create your own picture or animation

U170 BIORHYTHMS V4.01   UNPACK
      Calculated yor biorhythms with graphics display, very interesting.

U173 UTIL IV   UNPACK
      LOT of useful utility

U181 VIDEO NOTE PAD   UNPACK
      Simple database for storing your video collection, also on the
      disk is an example of a complete video library.

U183 QUICK BASE   UNPACK
      Very power Databased program handle. Easy to used

U184 MASTER SEKA V1.6   UNPACK
      This disk cantained a completes Assembler writting machines codes.
      almost like Devpac.

U185 IBM EMULATOR.   UNPACK
      This is a fully functional Pc emulator that will run for 15 minutes
      not for beginner. Require Mdos to run.

U186 ULTIMATED DISK CREATOR   UNPACK
      All utility to create or compile disk

U187 M CAD   UNPACK
      Was commercial product now PD. Computer Aid Design prog

U188 SHOWIZ   UNPACK
      This is the best picture displayer program available. Brillant
      for create a slide show. Very easy to use over 24 type of fade/wide
      full doc includes with 10 sample pics.

U191 SID II   UNPACK
      This is the Ultimate C L I utility around EDIT,COPY, DELETED VIEW
      ECT files at a touch of a button. Brillant

U195 AMIBASE-PRO II   UNPACK
      The Final Professional version lot of feature> got to be the best
      DATABASE available. Also include some example on disk.

U198 SCENERY---fractal mania   UNPACK
      Very good Fractal realistic landscape generator also few other
      utility

U200 NIAL & ELIZA   UNPACK
      Artifical learning program just answer it question and it ll try to
      talk to you.???????

U210 HYPER-BOOK   UNPACK
      Very good multimedia organiser that handle any thing. You can
      create an interactive book very easy.

U220 AMOS-PAINT   UNPACK
      Very good paint package lot of feature almost compareable to
      deluxe- paints. well worth having

U222   GRAPHIC UTILITY (3disk)   UNPACK ~A~~B~~C~
       Excellent disk specila compiles for graphic artist, interactive
       graphic, Vdraw, ray-trace, Mcad, Dropshadow ect & many more

U226   50 MOST USE UTIL   UNPACK
       Large collection of utility that will come in handy, lot of virus
       killer, sound/music ripper, icon maker, bootblocks, ect

U227   TEXTRA   UNPACK
       Very easy to use word proccesor lot of function.

U229   SLIDE SHOW CONSTURCTION KIT   UNPACK
       Very power and flexible prog special for making slideshow.

U230   WORK-BENCH   UNPACK
       Three version of workbench (QUICK BENCH, CUSTOM SW-CD01: BENCH and
NORMAL
       BENCH)on this disk.(delete the one not needed or make 3 version
       of WB) includes lot of useful utility ect.

U231   THE GAME TAMER   UNPACK

U233   SPEECH   UNPACK

U237   8 CHANNEL SOUND TRACKER   UNPACK
       Almost like sound tracker but can play/edit in 8 channel instead of
       the usual 4 channels.

U238   FLEXI-BASE   UNPACK
       Another very powerful friendly data-base lot of functions.

U240   ARCHIVER TOOLS   UNPACK
       Great collection of tools for modem user.

U242   IMPLODER 4.0   UNPACK
       Power Packer clone -Pack programe to fraction of it size yet
       still fully excutable.

U243   The A-T COPIER   UNPACK
       Brillant large collection of (13) disk copier includes white
       lightning, dcopy, xcopy ect

U244   QRT RAY TRACER   UNPACK
       Disk contained ray-tracer prog and examples

U251   VIDEO TOOL (3disk)   UNPACK ~A~~B~~C~

U254   FRACTAL UTIL   UNPACK
       lot of prog in conection with fractal eg. cloud fractal, Fractal
       generator, julie set ect.

U255   GRAPHIC CONVERTER   UNPACK
       Convert many different Picture format to Amiga IFF format

U256   PENNY WISE   UNPACK
       Very powerful and easy to use databased.

```
U257  DISK CRUNCH Compilation                              UNPACK
      over 35 disk cruncher compilation

U258  A.R.P                                                UNPACK

DISK MAGAZINE.

U261  JAM DISK 1                                           UNPACK
U262  JAM DISK 2                                           UNPACK
U263  JAM DISK 3                                           UNPACK
U264  JAM DISK 4                                           UNPACK
U265  JAM DISK 5                                           UNPACK
U266  JAM DISK 6                                           UNPACK
U267  JAM DISK 7                                           UNPACK
U268  JAM DISK 8                                           UNPACK
U269  JAM DISK 9                                           UNPACK
U270  JAM DISK 10                                          UNPACK

U280  SUPER TEX                                            UNPACK
      Very good modem comucation prog lot of function   auto dial ect
      (Ps i dont have i modem so i cant garenteed how well it run but
      the menu    load of function look very perfessional written)

U281  PEGUSES WORKBENCH HACKs                              UNPACK
      Over 60 workbench hacks compilation.

U282  LAND BUILDER                                         UNPACK
      Another very good FRACTAL GENERATOR. please see other factal review
      for more info. BUT IT CREATE LOVELY LANSCAPE

U283  INFERON PRO  4                                       UNPACK
      This is the mostly and best virus proctector for boot block.
      use in many PD disk even . well recememd

U284  COPY & CRACK TOOLS                                   UNPACK
      Brillant collection of back up tool for back up all PD and some
      commercial software.

U285  WINDOW-BENCH 1.3 (2disk)                  UNPACK DISK~A DISK~B
      An excellent WB replacement that use window menu system just like
      it use on PD. also includes lot of utility eg. sid, iconmaster ect

U287  P.C. Q PASCAL   (2DISK)                   UNPACK DISK~A DISK~B

U289  DOS 2 PRINTER UTILITY                               UNPACK

U291  PRO DEMO MAKER  professional                        UNPACK
      Good demo maker full instruction provides on disk

U292  START UP UTILITY                                    UNPACK

U293  SOUND WORKSHOP 1 & 2                      UNPACK DISK~A DISK~B

U297  VISICALC                                            UNPACK
      Good database lot of fuction ideal for frequence user.
```

```
U300   MESSY SID II                                             UNPACK

U327   INVOICE PRINTER                                          UNPACK
       print CUSTOM SW-CD01:ise billS ect.

U328   WORKBENCH INTRO MAKER                                    UNPACK

U331  POWER-MENUES                                              UNPACK
      Great program for create menu. Very easy to use

U333   SCENERY MAKER                                            UNPACK
       Brillant collection of Fractal generation program include mandle
       mountain ect

U334   EMULATOR COLLECTION II                                   UNPACK
       INCLUDE ATARI ST, PC, PCPREF, DOS-DOS , MAC, QL, CPM    OTHER

U335   FREE COPY                                                UNPACK

U337   MODEL 3D                                                 UNPACK
       3d object designer

U338  MULTI VISION 1 & 2 (2DISK)          UNPACK~DISK~A~ ~DISK~B~
      Excellent collection of tool design for disk/graphic/sound editor

U342   PC EMULATOR TASK 1.1                                     UNPACK
       Very good PC emulator but this is a demo  version

U343   LITTLE OFFICE                                            UNPACK
```

```
U344   TextPus V3                                          UNPACK
       Another Text wordprocessor

U345   HOME BUSSINESS JOURNAL                              UNPACK
       Good and very easy to use database

U350   POOL TOOL                                           UNPACK
       Contained three program that help to predict which horse stand the
       best chance to win.

U351   RACE RATER                                          UNPACK
       Similar to above that predict whic horse stand the best chance of
       winning

U352   DESK TOP VIDEO 1 & 2                                UNPACK
       Very good video titler with ajustable size/mixed coller
       recommend use with a genloc , full insturction include
       Note: no other library have this program only we have it.

U356   TEXT-ENGINE V3.4                                    UNPACK
       Much improve, full feature text engine so far it the best PD word-
       processor. well recomend

U357   BON APPETIT                                         UNPACK
       Only one of it kind yet it a database of recipt include dozen of
       recipt.

U358   STAR CAT 2                                          UNPACK
       Brillant if not the best disk cataloging programe.with load of
       feature and very proffesional look.

U359   SEEKER                                              UNPACK
       Very useful for FIND lost file on disk or hardisk.

U360   R.P.G adventure creator (ROLE PLAYING GANE          UNPACK

       Excellent account prog for the home or business

U366   KEY EDITS                                           UNPACK

U367   MUSIC MANIA                                         UNPACK
       collection of Protracker/soundtracker/startreker/med 3.2 &  more

U369   JOURNAL                                             UNPACK
```

```
        Another good database

U370   CAPTION MACHINE                              UNPACK
       Very good if not beter than most video titling program.

U371   VECTOR DESIGNER                              UNPACK
       Excellent vector designer ideal if you are making demo

U372   WORD SORT                                    UNPACK

U376   NCOMM  II                                    UNPACK
       Similar to below but with difference commucation programme.

U377   NCOMM III                                    UNPACK
       Excellent comucation program not much use with out a Modem. but it

U378   DIGITAL ADDRESS BOOK                         UNPACK
       Very good address book filofax program. but the print being disable

U379   HOT UTILS                                    UNPACK

U380   UNICOPY                                      UNPACK
       Very powerful  disk copier

U381   GRAPHIC RIPPER                               UNPACK

U383   LYAPVNOU GENERATOR                           UNPACK
       Generate Amazing space like fractal.
U384   MED Version 3.2                              UNPACK

U386   FOOTBALL LEAGUE EDITOR                       UNPACK

U387   P-SUITE                                      UNPACK
       Good program specially for make animated text

U390   DATA BASE compilation                        UNPACK
       Three very good database compilation on here. D-base/ Dataeasy and
       check-book

U391   FORTRAN (lanaguage) WB                       UNPACK
       Fortran is a lanaguage design to make programing as simple like
       basic but as fast as machine code

U392   AMIGA DEX                                    UNPACK
       Good database program

U394   PROTRAKER  Vs 2                              UNPACK
       Excellent music making program also in clude on the disk are riper/
       stone cracker/ virus killer/ disk print/ and many more * * * * *

U395   TEXT CRAFT                                   UNPACK
       TWO excellent word processor on here textplus & Uedit.

U397   FORM UNLIMITED                               UNPACK
       That right you can design your own unlimited form eg order form
       in any style
```

```
U398  MORTAGE CALC                                          UNPACK
      Calculate to see if you can afford the loans.

U399  FRACSCAPE V1.2                                        UNPACK
      Excellent fractal generator with animation

U496  EASY PRINT                                            UNPACK
      Various printing tool

U497  TEXT WRITER                                           UNPACK
      Great for hacking someone else demo ect and rewrite the text to your
      liking.

U498  WORK-MATE                                             UNPACK
      15 very Various disk & file util

U500 THE MUSIC CONSTRUCTION KIT (wb1.3)                     UNPACK
U501 THE MUSIC CONSTRUCTION KIT (wb2-3)                     UNPACK
      Various Music writer program

U502  SCOPION MAPPER II                                     UNPACK
      Making map for game easiler ect.

U504  HOT-STUFF                                             UNPACK
      Another fine collection of very useful disk util

U505  VIRUS-KILLER & DISK RESALVAGE/REPAIR KIT              UNPACK
      Repair & salavge damage disk

U507  DCOPY 3 PROFESSIONAL                                  UNPACK
      Good disk copier.

U509  ULTIMATE BOOTBLOCK Collection 1                       UNPACK
      Over 80 diferent boot block generator/maker programe

U512  ZIRCON UTIL II                                        UNPACK

U513  VIDEO-TITLER A (2disk)            UNPACK~DISK~A~ ~DISK~B~

U515  WIT COMPLETE UTIL                                     UNPACK
      good collection utilies so far include IMAGELAB POWER FONT,
      TEXT-ENGINE,VIRUSKILLER, (TOTAL 20 UTIL) ECT

U516  AMOS FRACTAL                                          UNPACK
      This yet another brillant fractal generator. from the slide show it
      can generate some very impressive fractal pic

U517  WB HACKs/FUN/DEMO                                     UNPACK
      Bore with your workbench then this disk will give you hour of
      fun with nearly 30 hack.

U518  ANIMATED POINTER                                      UNPACK

U520  HOUSE INVENTORY                                       UNPACK
      The best Most useful database since slice bread. great Idea this
program
      is specially writen so when you taken out your home insurance you
```

can
      store your house content
