PLEASE SELECT YOUR AMIGA KICK-START BELOW TO ENTER MAIN MENU

~~WB~1.3~~ ~~WB~2.0+~~ ~~WB~3.0+~~

CD info please read below

HOW TO USE THE MENU.

The menu should be very easy to use even adult can use it. Once in the main menu you can see all the contain of CD01 & CD02 listed. You can brow through the CD01 or CD02 with ease via click on the select button. To unpack any disk just click on the 'UNPACK' button & follow on screen prompt. When finish click on RETRACE to return to main menu.

* A5001.3 (insert blank disk in first before click on UNPACK Button)

Note: On any menu you may note an extra row of `.` just in font of the menu button. Any button with this dot (whatever you want to call it) in font of if it, mean you can still read the doc but if you click on any 'UNPACK' button then the computer will as for you to INSERT the

other CD. (this you are access the second CD) You can cancel if require.

*We ditch of custom written interface in favour of this Amigaguide for compatibilty with WB1.3 & 2.04 Amiga owner.

WHO & WHAT

SOFTWARE2000 are very proud to present the double CD set. On this DOUBLE CD set there are at lease 1900-2000 disks taken from the SOFTWARE2000 library. We have make this CD as easy to use as possible. We think we have achieve it.

This CD set is unlike many CD current available. This is not another CD full of DMS file. Many file on this CD can be use directly without the need to unpack to disk, this ll save alot of time Other wise waste in unpack disk after disks just looking for a certain programe or some fonts for your Dpaint. Just to make life easier. We even include Viewing programe so you can see immedietly see what you are looking for. Dont forget the JUKE-BOX nearly 200 Music Mods to listen while brow through this CDs.

What on this CD?

Roughly 1900-2000 disks from the SOFTWARE2000 library.

- * Apart from our Library disk collection like AGA, games, education ect
- * we also include over 1000 Spectrum which can be play directly from this CD (that twice more spectrum games than the current Spectrum CD)
- * 600 (bitmap) fonts split in 3 directory for fast loading again can be use direct from CD. see IFF font on menue for assign details
Fontview programe also include.
- * 100 & hundreds of BW and some colour CLIPART- again viewable from menu and also can be use direct from CD.
- * 100s of Imagines object & some True Imagine fonts. Again can be use direct from this CD
- * OVER 200 C64 GAMES DISKS when unpack estimate some 700-1000 C64 games file Unpack tool also enclose see C64 games on menu.
- * 50 disk full of MAGIC WB & MAGIC BACK DROP. This is quite special we also include 2 version of MAGIC WB for the for the AGA and Non AGA Amiga. so EVERY AMIGAS CAN NOW RUN MAGIC WORKBENCH good eh.
- * Music Fan..there are nearly 200 Music mod & 70 various St-sample disk. Again you can use it direct from CD

Thankou for reading all this boring text.

END.
