Great Bear ReferenZing

You can add ***Great Bear ReferenZing*** to your Word menus. It will appear on the Tools menu. This will let you select just the perfect word for your document without ever leaving Word! To add ***ReferenZing*** to the Tools menu, follow these simple steps:

1. Make sure that this is the only open document. *Close all other open documents now.*

2. Double-click the button bar below.

Double-click
