

DEFINITION OF SHAREWARE

Shareware distribution gives users a chance to try software before buying it. If you try a Shareware program and continue using it, you are expected to register. Individual programs differ on details -- some request registration while others require it, some specify a maximum trial period. With registration, you get anything from the simple right to continue using the software to an updated program with printed manual.

Copyright laws apply to both Shareware and commercial software, and the copyright holder retains all rights, with a few specific exceptions as stated below. Shareware authors are accomplished programmers, just like commercial authors, and the programs are of comparable quality. (In both cases, there are good programs and bad ones!) The main difference is in the method of distribution. The author specifically grants the right to copy and distribute the software, either to all and sundry or to a specific group. For example, some authors require written permission before a commercial disk vendor may copy their Shareware.

Shareware is a distribution method, not a type of software. You should find software that suits your needs and pocketbook, whether it's commercial or Shareware. The Shareware system makes fitting your needs easier, because you can try before you buy. And because the overhead is low, prices are low also. Shareware has the ultimate money-back guarantee -- if you don't use the product, you don't pay for it.

DISCLAIMER - AGREEMENT

Users of THE MORTGAGE ACCELERATOR must accept this disclaimer of warranty: THE MORTGAGE ACCELERATOR is supplied as is. The author disclaims all warranties, expressed or implied, including, without limitation, the warranties of merchantability and of fitness for any purpose. The author assumes no liability for damages, direct or consequential, which may result from the use of THE MORTGAGE ACCELERATOR ."

THE MORTGAGE ACCELERATOR is a "shareware program" and is provided at no charge to the user for evaluation. Feel free to share it with your friends, but please do not give it away altered or as part of another system. The essence of "user-supported" software is to provide personal computer users with quality software without high prices, and yet to provide incentive for programmers to continue to develop new products. If you find this program useful and find that you are using THE MORTGAGE ACCELERATOR and continue to use THE MORTGAGE ACCELERATOR after a reasonable trial period, you must make a registration payment of \$14.95 to JSoft at the address below. The \$14.95 registration fee will license one copy for use on any one computer at any one time. You must treat this software just like a book. An example is that this software may be used by any number of people and may be freely moved from one computer location to another, so long as there is no possibility of it being used at one location while it's being used at another. Just as a book cannot be read by two different persons at the same time.

Commercial users of THE MORTGAGE ACCELERATOR must register and pay

for their copies of THE MORTGAGE ACCELERATOR within 30 days of first use or their license is withdrawn. Site-License arrangements may be made by contacting JSoft.

Anyone distributing THE MORTGAGE ACCELERATOR for any kind of remuneration must first contact JSoft at the address below for authorization. This authorization will be automatically granted to distributors recognized by the (ASP) as adhering to its guidelines for shareware distributors, and such distributors may begin offering THE MORTGAGE ACCELERATOR immediately (However JSoft must still be advised so that the distributor can be kept up-to-date with the latest version of THE MORTGAGE ACCELERATOR.).

You are encouraged to pass a copy of THE MORTGAGE ACCELERATOR along to your friends for evaluation. Please encourage them to register their copy if they find that they can use it. All registered users will receive a copy of the latest version of the THE MORTGAGE ACCELERATOR program.
