

MISMATCH: angels over

by Pluto

Angels Over

There's a war in heaven, but that's of no matter to a certain archangel and his rival watcher, both busy in their own private war. Or is it all just well-stocked bookcases and sexy tattoos?

Raziel

He of the ridiculously long hair and brooding pouts, Raziel is the keeper of information on all His creations.

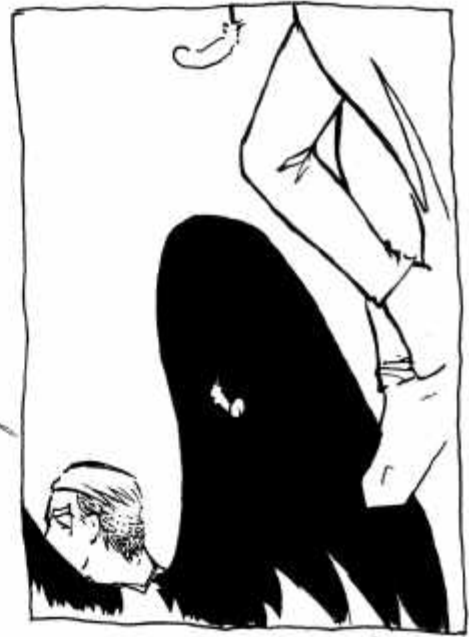

And he's hiding something.

Penemue

Then there's Penemue, slowly turning himself into walking scripture, who needs the knowledge Raziel holds. Whether he'll use it against him, or whether he'll end up on the other side, remains to be seen.

Maybe it's odd to do a fancomic of an amateur title, but I don't think so. If anything, I hope it happens more often! :) For those of you who may not be familiar with *Angels Over*, it's an ongoing comic by Mirai Wynd serialized in Umbrella Studios' Anthology series (#02 and #06). From the moment I read part one, I was in love-- Angels, heavenly wars, and shonenai! I also, being the horrible lech that I am, instantly glommed on the subtle or maybe not so subtle hints of a sort of 'forbidden' (or is that doomed) relationship between Raziel and Penemue. Result? What you see here. Thanks to Mirai for making a great comic (check it out if you don't know it!) and for writing the little blurbs that you see here for Raziel, Penemue and *Angels Over*. - Pluto (pluto@umbrellastudios.com)

Penemue?

That was rude.

What? Catching you by surprise?

i meant chasing me away from the little one.

i let you off easy

Hmph.

You are so beautiful, Penemue.

I thought I could stay away, but I can't.

HN.
here I was thinking I should be saying those things.

Why? Because you're the "man" in this relationship?
