

# Register **SPS Games Pack** *now!*

If you're addicted to these games, please register and support a struggling research assistant!

For £15, you can register Arachnid, Towers and Mines, and receive a handsome registration certificate and a registration number to replace the 'Unregistered Copy' message with your name.

Just print out the form below, fill in the details and fax it to SP Services on (0703) 550037 (that's +44 703 550037 if you're not in Britain). If you've no fax, either ring the same number and wait patiently for the answering machine, or post the form to:

SP Services  
PO Box 456  
Southampton,  
United Kingdom  
SO9 7XG

You'll have to do this if you don't want to pay by credit card, too, but please note we can only accept payment in pounds sterling. We also accept orders by electronic mail to **sshipps@compulink.co.uk** or on **CompuServe** to **100016,1625**; you will get an e-mail reply as soon as the order is received, followed by a registration certificate in the post. *Please supply all the same details.*

## **Creepy Disclaimer** (the small print in big letters)

Don't forget that there are no warranties associated with this software beyond saying that it will do what it says in the documentation/help files. If you manage to mess up your installation and think it has something to do with one of these games, we're sorry but they only cost £15, didn't they. Similarly, time, profit or jobs lost as a consequence of playing them are your own problem. Now for BIG money we'll give you a warranty. However, *registered users* may e-mail sshipps@compulink.co.uk or CIS 100016,1625 or fax +44-703-550037 and we will do our best to satisfy your requests.

## **US and other non-UK Users!**

Please do register! It's really easy; you simply send in your credit card details & address, we debit your credit card in pounds sterling, and the credit card company do all the hard stuff about currency conversion. As a special incentive, there are no extra shipping costs for non-UK orders! If you really cannot avoid sending a cheque, please make it payable to 'SP Services' and add the equivalent of £5 sterling to cover the currency dealing charge our bank imposes.

Just for the record, BackMenu and BigDesk are both © Copyright 1991, Ian Heath; this chatty registration form is entirely public domain.

# REGISTRATION APPLICATION FORM

(please deface as required)

Please register \_\_\_\_ copies of Arachnid, Towers and Mines for £15

I authorise you to debit my credit card (details below) with the sum identified above; I understand that I will receive one of your very nice registration certificates, appropriate registration number(s) and the undying gratitude of Ian Heath in return for this sum. I got the software from \_\_\_\_\_.
