A World I Never Knew

Words and Music by Kevan R.Craft (C) 1989/94

I was blind, but now I see
Everything was locked without the key..
I was deaf, but now I hear
Now in my eye there is a tear...

My sense of direction, was impaired
I think in my mind I was scared..
So why did it take me so long
To write these words to this song...

Because a world, that I never knew
Has simplified my question with a clue
Because a world that I never knew
Has opened its door and let me through...

If every-body, could only see
I'm pretty sure that's the key..
People don't believe in miracles
I feel sorry for the cynical..

Because a world, that I never knew
Has simplified my question with a clue
Because a world that I never knew
Has opened its door and let me through...

The Last Time

Words and Music by
Kevan R. Craft and Gareth R.Craft (C) 1983/1994

Fallin' out'ta love 'aint felt like this before
Findin' for myself emptiness here once more
Repeat: (An' I gotta look beyond all that I know
Free my heartstrings release you an' let go..)

This is the last time
Don't want you anymore
This is the last time
I can tell you for sure

This is the last time
My heart done beat for you
This is the last time
Its hist-ory we're through..

I should'a realised earlier right from the start
You'd go right ahead instead an' go break my heart
Repeat:(When I found those cruel plans you made
Excluded me that's the price I have paid..)

This is the last time
Don't want you anymore
This is the last time
I can tell you for sure

This is the last time
My heart done beat for you
This is the last time
Its hist-ory we're through..

Now our love has come to an end
No longer foolin', nor tryin' to pretend
Repeat: (An' I'll tell you this baby somethin' for free
This time its over between, you and me..)

Chorus repeat to fade:

This is the last time
Don't want you anymore
This is the last time
I can tell you for sure

This is the last time
My heart done beat for you
This is the last time
Its hist-ory we're through..
