
IsoFax

Licensing and Copyright

IsoFax is a proprietary product of the Bristol Group, Ltd. and is made available only under the terms of a software license agreement.

You may produce and distribute identical copies of the IsoFax distribution and demo software provided that you do not attempt to:(1) decompile or decipher the software. (2) develop passwords for the software, or (3) otherwise enable any of the features requiring a valid license and provided that you do not permit others to do so.

By virtue of being identical, all copies you make must contain this notice as well as all notices regarding copyrights and trademarks.

Copyright 1986-1991 The Bristol Group, Ltd. All rights reserved.

IsoFax and Bristol are registered trademarks of The Bristol Group, Ltd. The Bristol logo is a trade mark of The Bristol Group, Ltd.
