PP-PRODUCT PRESENTATION - DONN® MERIDIAN® suspension grid

- * Combines the esthetics of more expensive screw-slot grid with the function and utility of exposed grid.
- * Unique, rounded 5/32" (4 mm) reveal softens the effect of grid lines to enhance the finished look.
- * Automatic centering of panels and light fixtures.
- * High tensile steel connection clips on cross tee ends provide plug-in positive-lock insertion for quick installation.
- * Exceptional tension and compression connection values without additional wires, clips, fasteners or pins.
- * Cross tees with override ends resist twisting and give a professionally finished appearance.
- * Metric sizes: All products are available in metric sizes. To specify, add "ME" before the standard item number.
